Attention: Karen Barnes

Dear Ms. Steele:

We have reviewed the State's proposed amendment to the Louisiana State Plan submitted under Transmittal Number 17-0031 dated December 6, 2017. This state plan amendment amends the provisions governing reimbursement for Targeted Case Management services provided to participants in the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program, in order to adopt a payment methodology based on a flat monthly rate rather than 15-minute increments.

Based on the information submitted, we have approved the amendment for incorporation into the official Louisiana State Plan with an effective date change of April 1, 2018. A copy of the CMS-179 and approved plan pages are enclosed with this letter.

If you have any questions, please contact Cheryl Rupley at (214) 767-6278 or by email at Cheryl.Rupley@cms.hhs.gov.

Sincerely,

Bill Brooks
Associate Regional Administrator

Reimbursement Methodology (continued)

Payments made to targeted case management providers do not duplicate payments for the same or similar services furnished by other providers or under other authority as an administrative function or as an integral part of a covered service.

Reimbursement is not available for case management services that are furnished to recipients without charge by any other agency or entity. With the statutory exceptions of case management services included in Individualized Educational Programs (IEPs) or Individualized Family Service Plans (IFSPs) and services furnished through Title V public health agencies, payment for case management services cannot be made when another third party payor is liable, nor may payments be made for services for which no payment liability is incurred by the recipient.

Effective for dates of service on or after September 1, 2008 the reimbursement rate for targeted case management services rendered to infants and toddlers with special needs shall be increased by 25 percent of the rate in effect on August 31, 2008.

Effective for dates of service on or after February 1, 2009, the reimbursement for case management services provided to the following targeted populations shall be reduced by 3.5 percent of the rates on file as of January 31, 2009:

1. New Opportunities Waiver (NOW) recipients;
2. HIV disabled individuals; and
3. Nurse Family Partnership participants.

Effective for dates of service on or after July 1, 2012, the reimbursement for case management services provided to the following targeted populations shall be reduced by 1.5 percent of the rates on file as of June 30, 2012:

1. participants in the Nurse Family Partnership program;
2. participants in the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program;
3. individuals diagnosed with HIV; and
4. individuals with developmental disabilities who participate in the NOW.

Effective for dates of service on or after February 1, 2013, the Department shall terminate Medicaid reimbursement of targeted case management services to first-time mothers in the Nurse Family Partnership program.

Effective for dates of service on or after February 1, 2013, reimbursement shall not be made for case management services rendered to HIV disabled individuals.

Effective for dates of service on or after July 1, 2014, reimbursement for case management services provided to participants in the NOW shall be reimbursed at a flat rate for each approved unit of service. The standard unit of service is equivalent to one month and covers both service provision and overhead costs.

Effective for dates of service on or after April 1, 2018, case management services provided to participants in the EPSDT program shall be reimbursed at a flat rate for each approved unit of service. The standard unit of service is equivalent to one month.
