Methods and Standards for Establishing Payment Rates – Other Types of Care

OFFICIAL**ii. Personal Care Services:****I. General Description of Payment Methodology**

The following section describes the methods and standards utilized by the Executive Office of Health and Human Services (EOHHS) to establish rates of payment for personal care attendant (PCA) services. These services are described under Supplements to Attachments 3.1-A and 3.1-B. Fee schedules are established as follows:

II. Fee Schedules

The fee schedules for Personal Care Attendant Services are established by the Executive Office of Health and Human Services. The regulation, administrative bulletins, and fee schedules are published at <http://www.mass.gov/eohhs/docs/eohhs/eohhs-regs/114-5-4.pdf> and <http://www.mass.gov/eohhs/docs/eohhs/eohhs-regs/101-cmr-309.pdf>. <http://www.mass.gov/eohhs/gov/laws-regs/hhs/community-health-care-providers-ambulatory-care.html>.

Effective July 1, 2016, the fee schedule used to pay for personal care services provided by Personal Care Attendant providers is \$4.00 per 15 minute unit or \$16.00 per hour, inclusive of the PCA wage, employer required taxes, and workers' compensation insurance for PCA services provided during the day or night. Personal care attendants who are authorized by MassHealth to work emergency overtime or work on one of four holidays (New Year's Day, July 4, Thanksgiving Day or Christmas) receive premium pay in addition to regular pay, equal to \$2.00 per 15 minute unit, or \$8.00 per hour, inclusive of employer required taxes and workers' compensation insurance.

Effective July 1, 2014, EOHHS will provide a 3 hour paid Orientation for newly hired PCAs. The fee schedule for the 3 hour Orientation is based on the hourly PCA rate in effect on the date the newly hired PCA receives orientation.

Effective January 1, 2016, PCAs are eligible to accrue earned sick time from the first date of work and can begin using earned sick time 90 days after the first date of work at a rate of one hour per 30 hours worked, including overtime hours, up to 40 hours per benefit year. PCAs may use up to 40 hours of earned sick time per 12-month period as designated by EOHHS. The fee schedule is based on the hourly PCA rate in effect at the time the earned sick time is used.

Effective January 1, 2016, PCAs are eligible to receive overtime pay in accordance with the requirements of the Fair Labor Standards Act. Effective July 1, 2016, PCA overtime pay is equal to \$0.14 per 1 minute unit, or \$8.00 per hour, inclusive of employer required taxes and workers' compensation insurance. Effective July 1, 2016, PCA travel time pay is equal to \$0.27 per 1 minute unit, or \$16.00 per hour, inclusive of employer required taxes and workers' compensation insurance.

The fee used for Transitional Living providers of personal care services is a provider specific rate established by the Executive Office of Health and Human Services. Such regulations are entitled: Rates for Certain Social, Rehabilitation and other Health Care Services. The regulation is

published at

Each Transitional Living provider's rate is an all-inclusive per diem rate for the provision of personal care services and is based on an annual program budget, and delineates costs for direct care services and necessary administrative activities. Rate development for transitional living services includes the collection and review of service data maintained by the transitional living provider. Costs for room and board and other unallowable costs are excluded from the rate.

The table below contains the rates used for Transitional Living providers and the effective dates of the rates.

Provider	Per diem rate	Effective date
Advocates, Inc., Douglas House	\$207.53	July 1, 2016
Advocates, Inc., McLaughlin House	\$288.29	July 1, 2016
Advocates, Inc., Warren House	\$247.60	July 1, 2016
CCHIP House	\$206.73	July 1, 2016

Except as otherwise noted in the plan, state developed fee schedules are the same for both governmental and private providers.
