Policy and Methods for Establishing Payment Rates (Other than Inpatient Hospital and Long Term Care Facilities)

1. Individual Practitioner Services

Payment rates are established by the Medical Services Administration as a fee screen for each procedure. The fee schedule is designed to enlist the participation of an adequate number of providers. The Medicare prevailing fees, the Resource Based Relative Value Scale (RBRVS) and other relative value information, other state Medicaid fee screens, and providers' charges may be utilized as guidelines or reference in determining the maximum fee screens for individual procedures. The state assures that both public and private providers are paid under the same fee screens for the same services. Fee schedules are updated annually using the Resource Based Relative Value Scale (RBRVS) Medicare January release.

These payment rates apply to the following practitioners:

- Physicians (MD and DO)
- Ophthalmologists
- Oral Surgeons
- Podiatrists
- Physician's Assistants
- Nurse Practitioners – Up to 100% of fee schedule except assistant at surgery at 85% of fee schedule
- Certified Nurse Midwives
- Certified Registered Nurse Anesthetists
- Optometrists
- Chiropractors
- Psychologists - At 75% of fee schedule
- Social Workers - At 75% of fee schedule
- Professional Counselors - At 75% of fee schedule

For beneficiaries with no Medicare or commercial insurance coverage, providers are reimbursed the lesser of:

- the Medicaid fee screen minus any applicable Medicaid co-payment, patient pay, or spend-down amounts.
- the provider's usual and customary charge minus any applicable Medicaid co-payment, patient pay, or spend-down amounts.

For beneficiaries with Medicare and/or commercial insurance coverage, providers are reimbursed the lesser of:

- the Medicaid beneficiary's liability for Medicare/commercial insurance coinsurance, co-payments, and/or deductibles minus any applicable Medicaid co-payment, patient pay, or spend-down amounts.
- the Medicaid fee screen minus any third party payments, contractual adjustments, and any applicable Medicaid co-payment, patient pay, or spend-down amounts.
