5.a. Physicians' services (continued):

The services specified below are **not** covered physicians' services for purposes of medical assistance payment:

- 1.Surgery performed on the wrong patient;
- 2.Surgery performed on the wrong body part that is not consistent with the documented informed consent for that patient;
- 3.Performing the wrong surgical procedure on a patient that is not consistent with the documented informed consent for that patient; or
- 4.Physicians' services related to hospital-acquired conditions or treatment as defined in Attachment 4.19-A, Sections 2.0 and 12.3, for which hospital reimbursement is prohibited, if the physicians' services were provided by a physician who delivered care that contributed to or caused the adverse health care event or hospital-acquired condition.

11.b. Occupational therapy services. (continued)

(ii) A chronic condition that results in physiological deterioration and that requires specialized maintenance therapy services or equipment to maintain strength, range of motion, endurance, movement patterns, activities of daily living, cardiovascular function, integumentary status, positioning necessary for completion of the recipient's activities of daily living, or decreased abilities relevant to the recipient's current environmental demands, or;

(iii) health and safety risks for the recipient.

Specialized maintenance therapy must meet at least one of the following:

- (i) prevents deterioration and sustains function;
- (ii) for a chronic or progressive medical condition, provides interventions that enable a recipient to live at his or her highest level of independence; or
- (iii) provides treatment interventions for a recipient who is progressing but not at a rate comparable to the expectations of rehabilitative and therapeutic care.

**Occupational therapist** is defined as an individual certified by the National Board for Certification in Occupational Therapy who maintains state licensure as an occupational therapist. Occupational therapy services and providers meet the requirements of 42 CFR 440.110. Occupational therapy services are provided by or under the direction of a qualified occupational therapist.

**Occupational therapy assistant** is defined as an individual who has successfully completed all academic and field work requirements of an occupational therapy assistant program approved or accredited by the Accreditation Council for Occupational Therapy Education and who is ~~currently~~ certified by the National Board for Certification in Occupational Therapy as an occupational therapy assistant.
