Dear Ms. Berg:

We have reviewed Minnesota State Plan Amendment (SPA) 11-016, Prescribed Drugs, received in the Regional Office on September 9, 2011. This amendment proposes to change the reimbursement methodology from Average Wholesale Price (AWP) minus 15% to Wholesale Acquisition Cost (WAC) plus 2%. This SPA also proposes to change medication therapy management services to include recipients taking three or more prescriptions to treat or prevent one or more chronic medical conditions. We are pleased to inform you that the amendment is approved, effective September 1, 2011.

A copy of the pages approved for incorporation into the Minnesota State Plan will be forwarded by the Chicago Regional Office. If you have any questions regarding this request, please contact Lisa Ferrandi at (410) 786-5445.

Sincerely,
