13.d. Rehabilitative services (continued)

Effective October 1, 2010, dialectical behavior therapy services are paid:

for individual dialectical behavior therapy, the lower of the submitted charge or \$40.00 per 15 minute unit;

for group dialectical behavior therapy skills training, the lower of the submitted charge or \$18.16 per 15 minute unit.

Effective for services provided on or after January 1, 2012, **Assertive community treatment (ACT) services and residential rehabilitative services** provided by entities with host county contracts or agreements with the Department are paid a per diem, per provider, county rate determined by the Department negotiated rate inclusive of all ACT or residential rehabilitative services, staff travel time to provide ACT or residential rehabilitative services, and crisis stabilization services provided as a component of mental health crisis response services. To determine the rate, the following statewide criteria are considered: each host county must consider and document the:

1. cost for similar services in the local trade area;
2. actual costs incurred by entities providing the services;
3. intensity and frequency of services to be provided to each recipient;
4. degree to which recipients will receive services other than ACT or residential rehabilitative services;
5. costs of other services that will be paid separately; and
6. input from county or regional mental health planning initiatives regarding recipients' service needs.

Provider rates are available online at:
