4.19 (m) Medicaid Reimbursement for Administration of Vaccines under the Pediatric Immunization Program

1928(c)(2)
(C)(ii) of
the Act

(i) A provider may impose a charge for the administration of a qualified pediatric vaccine as stated in 1928(c)(2)(C)(ii) of the Act. Within this overall provision, Medicaid reimbursement to providers will be administered as follows.

(ii) The State:

X sets a payment rate at the level of the regional maximum established by the DHHS Secretary.

— is a Universal Purchase State and sets a payment rate at the level of the regional maximum established in accordance with State law.

— sets a payment rate below the level of the regional maximum established by the DHHS Secretary.

— is a Universal Purchase State and sets a payment rate below the level of the regional maximum established by the Universal Purchase State.

The State pays the following rate for the administration of a vaccine:

1926 of
the Act

(iii) Medicaid beneficiary access to immunizations is assured through the following methodology:

- The State will perform outreach to encourage a variety of providers to participate in the program and to administer vaccines in multiple settings (e.g., private health care providers, providers that receive funds under Title V of the Indian Health

Care Improvement Act, health programs or facilities operated by Indian tribes), and maintain a list of program-registered providers.

- With respect to any population of vaccine-eligible children, a substantial portion of whose parents have limited ability to speak the English language, the State will identify program registered providers who are able to communicate with this vaccine-eligible population in the language and cultural context which is most appropriate.
- The State will assure that no vaccine-eligible child is denied vaccines because of an inability to pay an administration fee.
- Except as authorized under section 1915(b) of the Social Security Act, or as permitted by the Secretary to prevent fraud or abuse, the State will not impose any additional qualifications or conditions, in addition to those indicated in the state plan, in order for a provider to qualify as a program registered provider.
