Re: SPA MT-13-0043-MM

Dear Ms. Dalton:

We have reviewed the proposed MAGI State Plan Amendment (SPA) submitted under transmittal number MT-13-0043-MM. This SPA implements the new provision for MAGI Income Methodologies under the Affordable Care Act.

Please be informed that this State Plan Amendment was approved October 25, 2013 with an effective date of January 1, 2014.

Enclosed is a copy of the new State Plan pages to be incorporated within a separate section at the back of Montana's approved State Plan:

- S 10, pages S 10-1 and S 10-2

In addition, enclosed is a summary of State Plan pages that are superseded by SPA MT-13-0043-MM, which should also be incorporated into a separate section in the front of the State Plan:

- Superseding pages of State Plan Material, 13-0043-MM

The enclosure incorporates the following statement into the Montana State Plan:

"Notwithstanding any other provisions of the Montana Medicaid State Plan, the financial eligibility methodologies described in State Plan Amendment 13-047-MM will apply to all MAGI-based eligibility groups covered under Colorado's Medicaid State Plan. The MAGI financial methodologies set forth in 42 CFR § 435.603 apply to everyone except those individuals described at 42 CFR § 435.603(j) for whom MAGI-based methods do not apply. This State Plan Amendment supersedes the current financial eligibility provisions of the Medicaid State Plan only with respect to the MAGI-based eligibility groups."
