Targeted Case Management Services
for Youth with Serious Emotional Disturbance (SED)

Targeted Case Management (TCM) for youth with Serious Emotional Disturbance (SED) services are provided by a licensed mental health center with a license endorsement permitting the mental health center to provide case management services.

TCM services for youth with SED are reimbursed on a fee per unit of service basis. A unit of service is a period of 15 minutes.

Reimbursement for TCM services for youth with serious emotional disturbance is the lower of: the providers' actual charge for the service or the Department's fee. Unless otherwise noted in the State Plan, fees are the same for both governmental and private providers. The Department's rates were set as of the date specified on the Attachment 4.19B Introduction Page and are published at <http://www.dphhs.mt.gov/mentalhealth/children/feeschedule.pdf>.
