Re: New Hampshire SPA TN 13-004

Dear Commissioner Toumpas,

We are pleased to enclose a copy of approved New Hampshire State Plan Amendment (SPA) No. 13-004 with an effective date of January 1, 2013. This SPA transmitted a proposed amendment to your approved Title XIX State plan in order to be eligible for a one percentage point increase in the federal medical assistance percentage (FMAP) for expenditures for adult preventive services and adult vaccines in accordance with Section 4106(b) of the Affordable Care Act (ACA). This is the first Preventive Services SPA under section 4106 to be approved! We appreciate New Hampshire's conscientious efforts.

If there are questions, please contact Joyce Butterworth at (617) 565-1220 or by e-mail at Joyce.Butterworth@cms.hhs.gov.

Sincerely,

/s/

Richard R. McGreal
Associate Regional Administrator
