RE: TN 20-0015

Dear Commissioner Shibinette:

We have reviewed the proposed New Hampshire (NH) State Plan Amendment (SPA) to Attachment 4.19-B, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on March 23, 2020. This plan amendment updates the allowance for a 3.1% increase to adult medical day care and preventive care for newborn rates.

Based upon the information provided by the State, we have approved the amendment with an effective date of January 01, 2020. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

Please note that our approval relates only to the requested change in payment methodology and CMS may still have questions on the funding structure in determining its consistent with section 1902(a)(2) and 1903(a) of the Act as implemented by 42 CFR § 433.54. Therefore, our approval relates only to the requested change in payment methodology and that the resultant rates and related expenditures are consistent with section 1902(a)(30)(A) of the Act. Approval of the subject SPA does not relieve the State of its responsibility to comply with federal laws and regulations, and to ensure that claims for federal funding are consistent with all applicable requirements.

If you have any additional questions or need further assistance, please contact James Moreth at 206-615-2043 or James.Moreth@cms.hhs.gov.

Sincerely,
