## NOV 04 2014

Ms. Julie Weinberg, Director New Mexico Human Services Department Medical Assistance Division Post Office Box 2348- ARK Santa Fe, New Mexico 87504-2348

RE: New Mexico 14-04

Dear Ms. Weinberg:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number (TN) 14-04. The purpose of this amendment is to delete the pages in the New Mexico state plan governing the methodology for computing inpatient supplemental Medicaid payments for Sole Community hospitals and a State hospital.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. As part of the review process the State was asked to provide information regarding access to care issues and the funding of the State share of expenditures under Attachment 4.19-A.

Based upon your assurances, Medicaid State plan amendment 14-04 is approved effective April 1, 2014. We are enclosing the HCFA-179 and the amended plan pages.

If you have any questions, please call Tamara Sampson at (214) 767-6431.

Sincerely, Timothy Hill Director

### STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT STATE OF NEW MEXICO METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES – INPATIENT HOSPITAL SERVICES

Attachment 4.19 – A Page 18

### 4. <u>Payment for Inappropriate Brief Admissions</u>

Hospital stays of up to two days in length will be reviewed for medical necessity and appropriateness of care. (Discharges involving health mothers and healthy newborns are excluded from this review requirement.) If it is determined that the inpatient say was unnecessary or inappropriate, the prospective payment for the inpatient discharge will be denied. If the inpatient claim is denied, the hospital is permitted to resubmit an outpatient claim for the services rendered. Such review may be further focused to exempt certain cases at the sole discretion of the Department.

#### 5. <u>Payment for Non-Medically Warranted Days</u>

- a. Reimbursement for hospital patients receiving services at an inappropriate level of care will be made at rates reflecting the level of care actually received. The number of days covered by the Medicaid program is determined based only upon medical necessity for an acute level of hospital care.
- b. When it is determined that an individual no longer requires acute-level care but does require a lower level of institutional care, and when placement in such care cannot be located, the hospital will be reimbursed for "awaiting placement" days. Reimbursement will be made at the weighted average rate paid by the Department in the preceding calendar year for the level of care needed. There is no limit on the numbered of covered "awaiting placement" days as long as those days are medically necessary. However, the hospital is encourage to make every effort to secure appropriate placement for the individual as soon as possible. During "awaiting placement" days, no ancillary services will be paid, but medically necessary physician visits will be reimbursed.
