RE: TN 10-22-A

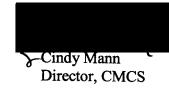

Dear Mr. Helgerson:

We have reviewed the proposed amendment to Attachment 4.19-D of your Medicaid State plan submitted under transmittal number (TN) 10-22-A. Effective April 1, 2010, this amendment provides for four changes that will be implemented later in 2010. Effective July 19, 2010, it reduces the annual number of bed reserve days paid to providers for residents over 21 years of age, reduces the reimbursement rate to 95% of the full daily rate for those days subject to the new limits and makes a technical correction to the definition of a bed reserve day. Effective October 1, 2010, it carves out drug reimbursement from the daily nursing home rate.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903(a) of the Social Security Act and the regulations at 42 CFR 447 Subpart C. This is to inform you that New York 10-22-A is approved effective April 1, 2010 and I have enclosed the HCFA-179 and the approved plan pages.

If you have any questions, please contact Tom Brady at 518-396-3810 or Rob Weaver at 410-786-5914.

Sincerely,

Enclosures
