RE: State Plan Amendment (SPA) 13-0068

Dear Commissioner Helgerson:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number (TN) 13-0068. Effective January 1, 2014 this amendment proposes temporary rate adjustments under the Vital Access Provider (VAP) program to specific providers for inpatient hospital services. The temporary rate adjustments are in recognition of the closure, merger, consolidation, acquisition or restructure of a health care provider.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a) and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR Part 447. We have found the temporary payments comply with applicable requirements and, therefore, have approved the payments with an effective date of January 1, 2014. We are enclosing the CMS-179 and the amended approved plan pages.

If you have any questions, please contact Charlene Holzbaur at (609) 882-4103 Ext. 104.

- 2. Temporary rate adjustment for Vital Access Provider (VAP) Programs
 - a. A temporary rate adjustment will be provided to eligible hospital providers that are subject to or impacted by the closure, merger, and acquisition, consolidation or restructuring of a health care provider. The rate adjustment is intended to:
 - Protect or enhance access to care;
 - Protect or enhance quality of care; or
 - Improve the cost effectiveness.

Eligible hospital providers, the [annual] amount of the temporary rate adjustment, and the duration of [the] each rate adjustment period [shall] will be listed in the table which follows. The total [annual] adjustment amount for each period shown will be paid quarterly during each period in equal installments [with the amount of each quarterly payment being equal to one fourth of the total annual amount established for each provider.] The [quarterly] temporary payment made under this section will be an add-on to services payments made under this Attachment to such facilities during the quarter.

To remain eligible, providers must submit benchmarks and goals acceptable to the Commissioner and must submit periodic reports, as requested by the Commissioner, concerning the achievement of such benchmarks and goals. Failure to achieve satisfactory progress in accomplishing such benchmarks and goals will result in termination of the provider's temporary rate adjustment prior to the end of the specified timeframe. Once a provider's temporary rate adjustment ends, the provider will be reimbursed in accordance with the otherwise applicable rate-setting methodology as set forth in this Attachment.
