Dear Mr. Helgersen:

We have completed our review of the submission New York's State Plan amendment (SPA) 13-26 which was received in office March 26, 2013 and find it acceptable for incorporation into New York's Medicaid State Plan. This SPA proposes to revise the State Plan to establish a one percentage point increase in the Federal Medical Assistance Percentage (FMAP), effective January 1, 2013, applied to expenditures for adult vaccines and clinical preventive services to cover, without cost sharing, a full list of specified preventive services and adult vaccines.

Please note the approval date of this SPA is June 18, 2013 with an effective date of January 1, 2013. Copies of the approved State Plan pages and the signed CMS - 179 are enclosed.

Should you have any questions or concerns please contact Vennetta Harrison at 212-616-2214.

Sincerely,

Michael Melendez
