FORM CMS-179 (07-92)
12. Prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in diseases of the eye or by an optometrist.

a. Prescribed drugs

Coverage of prescribed drugs meets all reporting requirements and provisions of section 1927 of the Social Security Act, including the following requirements as found in Section 1927(d)(5) of the Act:

The prior authorization program provides a response by telephone or other telecommunication device within 24 hours of a request.

The prior authorization program provides for the dispensing of at least a 72-hour supply of a covered drug in an emergency situation.

PREFERRED DRUG LIST

Pursuant to 42 U.S.C. Section 1396r-8 the state is establishing a preferred drug list with prior authorization for drugs not included on the preferred drug list. Prior authorization may be established for certain drug classes, particular drugs or medically accepted indication for uses or doses. Effective January 1, 2020, the Managed Care Plans contracted with the Ohio Department of Medicaid (ODM) will follow the preferred drug list established by ODM.

SUPPLEMENTAL REBATES

Based on the requirements in Section 1927 of the Social Security Act, the state has the following policies for the supplemental rebate program for Medicaid recipients:

Supplemental rebates will be accepted from manufacturers according to the supplemental drug-rebate agreement. Supplemental rebates received pursuant to these agreements are only for the Medicaid program and will be collected from manufacturers based on drug utilization for both fee-for-service and managed care plan participants.

All drugs covered by the program, irrespective of the requirement to be prior authorized, will comply with the provisions of the national drug rebate agreement.

CMS has authorized Ohio to enter into “the Sovereign States Drug Consortium (SSDC)” Medicaid multi-state purchasing pool. The updated “Ohio Medicaid Supplemental Rebate Agreement” between the State and participating manufacturers for drugs provided to the Medicaid program, submitted to CMS on November 1, 2019 supersedes the “Ohio Supplemental Drug Rebate Agreement” approved in OH SPA TN16-027. CMS has authorized the updated agreement. The updated agreement applies to drugs dispensed effective January 1, 2020.

The unit rebate amount is confidential and cannot be disclosed in accordance with Section 1927(b)(3)(d) of the Social Security Act.

Supplemental drug rebates received under this agreement by the state that are in excess of those required under the National Drug Rebate Agreement will be shared with the federal government on the percentage basis required by law.
