Dear Dr. Splinter:

We have reviewed the State's proposed amendment to the Oklahoma State Plan submitted under Transmittal Number 12-04, dated February 28, 2012. This plan amendment adds optional outpatient behavioral health provider certification by the Oklahoma Department of Mental Health and Substance Abuse Services Board. The Medicaid Agency, Oklahoma Health Care Authority, will have oversight of provider certifications to ensure national accreditation standards are met

Based on the information submitted, we have approved the amendment for incorporation into the official Oklahoma State Plan with an effective date of July 1, 2012. A copy of the CMS-179 and the approved plan pages are enclosed with this letter.

If you have any questions, please contact Lynn Ward at (214) 767-6327.

Sincerely,
