#### DIVISION OF MEDICAID & CHILDREN'S HEALTH - REGION VI

January 16, 2014

Dr. Garth Splinter State Medicaid Director 2401 NW 23rd Street, Suite 1A Oklahoma City, Oklahoma 73107

Our Reference: SPA-OK-13-17-MM1

Dear Dr. Splinter:

We have reviewed the proposed amendment to your Medicaid State Plan submitted under Transmittal Number (TN) 13-17. With the approval of TN 13-17, CMS has reviewed and approved eligibility standards for the State's Medicaid mandatory and optional eligibility groups under the authority of the Social Security Act Section 1902(e)(14) and 42 Code of Federal Regulations (CFR) 435.603, and according to the new provisions of the Affordable Care Act (ACA).

Transmittal Number 13-17 is approved with an effective date of January 1, 2014, as requested. A signed and dated copy of the Transmittal No. 13-17 summary is enclosed, along with the approved plan pages and their attachments.

If you have any questions, please contact Tamara Sampson at (214) 767-6431.

Sincerely,

Bill Brooks Associate Regional Administrator Division of Medicaid and Children's Health

Enclosures

#### Medicaid State Plan Eligibility: Summary Page (CMS 179)

State/Territory name: Transmittal Number: Oklahoma

Please enter the Transmittal Number (TN) in the format ST-YY-0000 where ST= the state abbreviation, YY = the last two digits of the submission year, and 0000 = a four digit number with leading zeros. The dashes must also be entered.

OK-13-0017

Proposed Effective Date

Federal Statute/Regulation Citation

Federal Budget Impact

Federal Fiscal Year Amount

First Year 2014 \$ 1582143.00

Second Year 2015 \$ 2070160.00

Subject of Amendment

This amendment encompasses the MAGI-Based Eligibility Groups. This amendment addresses Mandatory and Optional Populations. Two changes are included. In \$28, the eligibility standard for full coverage for pregnant women is reduced to 133 percent FPL effective January 1, 1014. Likewise, in \$59, a corresponding change to the standard for the Family Planning benefit under the State Plan moves to 133 percent FPL.

Eligibility Groups - Options for Coverage Reasonable Classification of Individuals under Age 21
42 CFR 435.222 1902(a)(10)(A)(ii)(I) 1902(a)(10)(A)(ii)(IV)
Reasonable Classification of Individuals under Age 21 - The state elects to cover one or more reasonable classifications of individual under age 21 who are not mandatorily eligible and who have income at or below a standard established by the state and in accordance with provisions described at 42 CFR 435.222.
● Yes C No
☑ The state attests that it operates this eligibility group in accordance with the following provisions:
Individuals qualifying under this eligibility group must qualify under a reasonable classification by meeting the following criteria:
■ Be under age 21, or a lower age, as defined within the reasonable classification.
Have household income at or below the standard established by the state, if the state has an income standard for the reasonable classification.
■ Not be eligible and enrolled for mandatory coverage under the state plan.
MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.
The state covered at least one reasonable classification under this eligibility group under its Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013, with income standards higher (including disregarding all income) than the current mandatory income standards for the individual's age.  • Yes • No
The state also covered at least one reasonable classification under this group in the Medicaid state plan as of March 23, 2010 with income standards higher (including disregarding all income) than the current mandatory income standards for the individual's age.
• Yes C No
Reasonable Classifications Covered in the Medicaid State Plan as of March 23, 2010
The state attaches the approved pages from the Medicaid state plan as of March 23, 2010 to indicate the age groups, reasonable classifications, and income standards used at that time for this eligibility group.
An attachment is submitted.

The state covers all children under a specified age limit, equal to or higher than the age limit and/or income standard used in the Medicaid state plan as of March 23, 2010, provided the income standard is higher than the current mandatory income standard for the individual's age. The age limit and/or income standard used must be no higher than any age limit and/or income standard covered in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013. Higher income standards may include the disregard of all income.

C Yes © No

Current Coverage of Reasonable Classifications Covered in the Medicaid State Plan as of March 23, 2010

The state covers reasonable classifications of children previously covered in the Medicaid state plan as of March 23, 2010, with income standards higher than the current mandatory income standard for the age group. Age limits and income standards are equal to or higher than the Medicaid state plan as of March 23, 2010, but no higher than any age limit and/or income standard for this classification covered in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013. Higher income standards may include the disregard of all income.

Yes ○ No

Indicate the reasonable classifications of children that were covered in the state plan in effect as of March 23, 2010 with income standards higher than the mandatory standards used for the child's age, using age limits and income standards that are not more restrictive than used in the state plan as of as March 23, 2010 and are not less restrictive than used in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

Г	П	Income	standard	chosen
- 1	-	HICOHIC	Stallualu	CHOSCI

Individuals qualify under this classification under the following income standard:

- C The minimum standard.
- The maximum income standard.

If not chosen as the maximum income standard, the state's effective income level for this classification under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.

If not chosen as the maximum income standard, and if higher than the effective income level used under the Medicaid state plan as of March 23, 2010, the state's effective income level for this classification under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

If not chosen as the maximum income standard, and if higher than the effective income level used under the Medicaid state plan as of March 23, 2010, the state's effective income level for this classification under a Medicaid 1115 Demonstration as of March 23, 2010, converted to a MAGIequivalent percent of FPL or amounts by household size.

If not chosen as the maximum income standard, and if higher than the effective income level used under the Medicaid state plan as of March 23, 2010, the state's effective income level for this classification under a Medicaid 1115 Demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income level for this classification in the state plan as of March 23, 2010, converted to a MAGI equivalent.

#### Other Reasonable Classifications Previously Covered

The state covers reasonable classifications of children <u>not</u> covered in the Medicaid state plan as of March 23, 2010, but covered under the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013 with an income standard higher than the current mandatory income standard for the age group.

C Yes © No

#### Additional new age groups or reasonable classifications covered

If the state has <u>not</u> elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does <u>not</u> cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.
