Melody Anthony, Medicaid Director
State of Oklahoma
Oklahoma Health Care Authority
4345 N. Lincoln Boulevard
Oklahoma City, OK 73105

Dear Ms. Anthony:

On April 24, 2020, the Centers for Medicare & Medicaid Services (CMS) received Oklahoma State Plan (SPA) No. 20-0006. This SPA was submitted to reflect Oklahoma's membership in the Enhanced Nurse Licensure Compact (eNCL) Agreement. This agreement allows a nurse's license to be portable between member states of the compact to increase access to care by allowing nurses to practice in other states without obtaining additional licenses.

We are pleased to inform you that SPA 20-0006 was approved on May 7, 2020, with an effective date of September 1, 2020, as requested by the State. Enclosed is a copy of the CMS 179 summary form, as well as the approved pages for incorporation into the Oklahoma State Plan.

If you have any questions regarding this matter you may contact Deborah Read (816) 426-5925 or by e-mail at Deborah.read@cms.hhs.gov.

Sincerely,

James G. Scott, Director
Division of Program Operations

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

CASE MANAGEMENT SERVICES *(continued)*

Target Group: Chronically and/or severely mentally ill age 18 years and older or children who are at imminent risk of out-of home placement due to psychiatric or substance abuse reasons.

Qualifications of providers:

Case managers performing the service must be:

1. Licensed Behavioral Health Professional (LBHP) as described on Attachment 3.1-A Page 1a-6.11;
2. Currently Certified Alcohol and Drug Counselor (CADC); or
3. Currently certified as a Behavioral Health Case Manager through the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS). In order to obtain certification as a case manager, individuals must meet the following requirements:
 - a. Case Manager II – meets the following:
 - i. Qualifications.
 - I. A bachelor's or master's degree in a behavioral health related field, earned from a regionally accredited college or university recognized by the United States Department of Education or a bachelor's or master's degree in education with at least nine (9) hours of college credit in a behavioral health related field; or
 - II. Current licensure as a registered nurse and in good standing in the state in which services are provided with experience in behavioral health care; or
 - III. A Bachelor's or master's degree in a non-behavioral health related field and current certification as a Psychiatric Rehabilitation Practitioner (CPRP).
 - ii. Training Requirements.
 - I. Behavioral health case management web-based training as specified by ODMHSAS,
 - II. Individuals who have not received a certificate in children's psychiatric rehabilitation from the US Psychiatric Rehabilitation Association (USPRA) must complete the behavioral health rehabilitation web-based training as specified by ODMHSAS,
 - III. Complete one day of face-to-face behavioral health case management training, and
 - IV. Individuals not certified as Psychiatric Rehabilitation Practitioners (CPRP) must complete two days of face-to-face behavioral health rehabilitation training.
 - iii. Exam
 - I. Successful completion of web-based competency exams for behavioral health rehabilitation and behavioral health case management is required in order to be certified.
 - II. CPRP applicants for certification need only successfully complete the web-based competency exam for behavioral health case management.
 - iv. Case Manager II certifications issued on or before June 30, 2013 will continue to be recognized until June 30, 2014.
 - b. Case Manager I – meets the following:
 - i. Has a high school diploma and:
 - I. 60 college credit hours; or
 - II. 36 total months of experience working with persons who have a mental illness and/or substance abuse issues (documentation of experience must be on file with ODMHSAS).
 - ii. Complete two days of case management training as specified by ODMHSAS.
 - iii. Successful completion of web-based competency exam for behavioral health case management.

Revised 09-01-20

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

Targeted Case Management *(continued)*Definition of services *(continued)*Monitoring and follow-up activities *(continued)*

The case manager must provide documentation to supplement the plan of care which includes:

1. information supporting the selection of outcomes;
2. information supporting the approaches selected;
3. information supporting case management decisions and actions;
4. documentation of communication with the client and, as appropriate, his/her representative;
5. documentation of linkages with resources;
6. documentation of follow-up and monitoring of the plan;
7. other factual information relevant to the case.

- X Case management may include contacts with non-eligible individuals that are directly related to identifying the eligible individual's needs and care, for the purposes of helping the eligible individual access services; identifying needs and supports to assist the eligible individual in obtaining services; providing case managers with useful feedback; and alerting case managers to changes in the eligible individual's needs. [42 CFR 440.169(e)]

Qualifications of providers [42 CFR 441.18(a)(8)(v) and 42 CFR 441.1B(b)]: Case Management Agency Qualifications:

The provider agency must:

1. meet applicable State and Federal laws governing the participation of providers in the Medicaid program.
2. be certified by the OHCA as a qualified DDSD Provider.

Case Manager Qualifications:

1. Possess a bachelor's degree in human services field and one year of professional experience working directly with persons with intellectual or other developmental disabilities or in social work, case management, special education, psychology, counseling, vocational rehabilitation, physical therapy, occupational therapy, speech therapy, nursing or a closely related field; or
2. Possess a valid permanent license as approved by a member-state participating in the Enhanced Nurse Licensure Compact (eNLC) to practice professional nursing (an interim work permit or a temporary license issued by a member-state of the Enhanced Nurse Licensure Compact (eNLC) will be accepted as long as it remains valid; however, a valid permanent license must be obtained prior to the completion of the probationary period), and one year of professional nursing experience working directly with persons with intellectual or other developmental disabilities; or one year of professional nursing experience, and one year working directly with persons with intellectual or other developmental disabilities.
