RE: Oregon State Plan Amendment (SPA) Transmittal Number 13-10

Dear Dr. Goldberg:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of Oregon State Plan Amendment (SPA) Transmittal Number 13-10. This amendment authorizes the removal of targeted case management services for the developmental disabled and intellectually disabled (DD/ID) populations under the state plan 1915(g) authority and ensures that there is no duplication of services for case management with the recently approved 1915(c) waivers providing case management services for the DD/ID populations.

This SPA is approved effective July 1, 2013, as requested by the state.

The CMS appreciates the efforts and cooperation of Oregon's leadership and staff throughout the review process. Please direct any questions regarding this matter to me, or have your staff contact Jennifer Lutz-Stucky at either 206-615-2422 or via email at Jennifer.Stucky@cms.hhs.gov.

Sincerely,
