RE: State Plan Amendment 14-003

Dear Ms. Mackereth:

We have completed our review of State Plan Amendment (SPA) 14-003. This SPA modifies Attachment 4.19-A of Pennsylvania's Title XIX State Plan. Specifically, the amendment continues disproportionate share hospital payments to facilities designated as critical access hospitals and qualifying rural hospitals.

We conducted our review of this SPA according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act (the Act) and the regulations at 42 CFR 447 Subpart C. We are approving state plan amendment 14-003 effective January 5, 2014. We are enclosing the HCFA-179 and the amended plan pages.

If you have any questions, or require additional information, please call Gary Knight at (304) 347-5723.

ADDITIONAL CLASS OF DISPROPORTIONATE SHARE PAYMENTS TO CRITICAL ACCESS
HOSPITALS AND QUALIFYING RURAL HOSPITALS

The Department will make disproportionate share payments to certain qualifying Medical Assistance (MA) enrolled acute care general hospitals based on designation as a Critical Access Hospital (CAH) and for qualifying rural hospitals, to ensure the availability of quality care to MA recipients in rural areas across this Commonwealth.

The Department will consider hospitals that have been designated as a CAH to be eligible for this additional class of DSH payments. CAHs are defined as any hospital that has qualified under section 1861(mm)(1) of the Social Security Act (42 U.S.C. § 1395x(mm)(1)) (relating to definitions) as a "critical access hospital" under Medicare. The Department will distribute payments to qualifying CAHs to reimburse at up to 101% of the allowable inpatient and outpatient Medical Assistance (MA) costs for services provided to eligible MA beneficiaries, after deducting all other MA payments, including payments for services rendered, DSH payments or other supplemental payments.

After payment has been made to CAHs, as indicated above, any remaining funds will be distributed by the Department to rural hospitals that are acute care general hospitals licensed as hospitals under the Health Care Facilities Act (35 P.S. §§ 448.101 and 448.904(b)) and that meet all of the following:

- (a) Located in a county of the 6th, 7th, or 8th class that has no more than two MA-enrolled acute care general hospitals.
- (b) Located in a county that has greater than 17% of its population that are eligible for MA or has greater than 10,000 persons eligible for MA.
- (c) Has no more than 200 licensed and staffed beds
- (d) Does not qualify as a CAH under section 1861(mm)(1) of the Social Security Act (42 U.S.C. § 1395x(mm)(1)).

The Department will distribute any remaining funds to qualifying rural hospitals as follows:

- (a) 50% will be shared equally among the eligible hospitals.
- (b) 50% will be distributed based on each hospital's percent of total MA Fee-for-Service discharges compared to all eligible hospitals total MA Fee-for-Service discharges.

For Fiscal Year 2013-2014, the fiscal impact as a result of this additional class of disproportionate share payments is \$14.578 million (\$6.776 million in State General Funds and \$7.802 million in Federal Funds upon approval by the Centers for Medicare and Medicaid Services).
