RE: State Plan Amendment 16-0004

Dear Mr. Dallas:

We have completed our review of State Plan Amendment (SPA) 16-0004. This SPA modifies Attachment 4.19-A of Pennsylvania's Title XIX State Plan. Specifically, the amendment continues disproportionate share hospital payments to qualifying teaching hospitals that provide psychiatric services.

We conducted our review of this SPA according to the statutory requirements at sections 1902(a)(3), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act (the Act) and the regulations at 42 CFR 447 Subpart C. We are approving state plan amendment 16-0004 effective April 17, 2016. We are enclosing the HCFA-179 and the amended plan pages.

If you have any questions, or require additional information, please call Gary Knight at (304) 347-5723.

Sincerely,

Kristin Fan Director

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT ATTACHMENT 4.19A STATE: <u>COMMONWEALTH OF PENNSYLVANIA</u> Page 21j <u>METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES-INPATIENT HOSPITAL CARE</u>

ADDITIONAL CLASS OF DISPROPORTIONATE SHARE PAYMENT TO QUALIFYIING TEACHING HOSPITALS

The Department of Human Services (Department) has established an additional class of disproportionate share (DSH) payments to qualifying teaching hospitals that provide psychiatric services to Medical Assistance (MA) beneficiaries. Across the Commonwealth there is a shortage of psychiatrists, notably those involved in the public health sector. The Department is working to recruit and retain psychiatrists to work in underserved rural and urban areas throughout the Commonwealth. These payments are intended to help offset the medical education costs of psychiatrists which are incurred by the hospitals providing psychiatric services to MA beneficiaries and the uninsured.

The Department will consider any psychiatric unit of a general acute care hospital enrolled in Pennsylvania (PA) MA with psychiatric medical education costs that exceed \$40,000, according to the Fiscal Year (FY) 2010-2011 MA Cost Report, eligible for this additional class of DSH payments if it meets one of the following criteria:

1) The hospital provides at least 40,000 psychlatric days of service to PA MA beneficiaries as reported on the FY 2010-2011 MA Cost Report.

2) The hospital's percentage of PA MA fee-for-service (FFS) inpatient psychiatric days to total PA MA FFS inpatient days exceeds 25% as reported on the FY 2010-2011 MA Cost Report.

Two thirds of the amount appropriated for this payment will be distributed equally to teaching hospitals qualifying under criteria 1) above. One third of the amount appropriated for this payment will be distributed equally to teaching hospitals qualifying under criteria 2) above. Hospitals that qualify under both criteria will be eligible only for payments under criteria 1).

All payment limitations are still applicable, Including those limitations that the Commonwealth may not exceed its aggregate annual DSH allotment and that no hospital may receive DSH payments in excess of its hospital-specific limit. The Department will not redistribute DSH payments made under this additional class of DSH payments to qualifying hospitals as a result of a qualifying hospital exceeding its hospital-specific DSH limit.

The Fiscal Year 2015-2016 fiscal impact, as a result of this DSH payment is \$0.500 million (\$0.240 million in State General Funds and \$0.260 million in Federal Funds).
