RE: State Plan Amendment 16-0006

Dear Mr. Dallas:

We have completed our review of State Plan Amendment (SPA) 16-0006. This SPA modifies Attachment 4.19-A of Pennsylvania's Title XIX State Plan. Specifically, the SPA continues funding for disproportionate share hospital payments to certain acute care hospitals that further Pennsylvania's goal of enhanced access in economically distressed areas.

We conducted our review of this SPA according to the statutory requirements at sections 1902(a)(3), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act (the Act) and the regulations at 42 CFR 447 Subpart C. We are approving state plan amendment 16-0006 effective June 26, 2016. We are enclosing the HCFA-179 and the amended plan pages.

If you have any questions, or require additional information, please call Gary Knight at (304) 347-5723.

Sincerely,

/S/

Kristin Fan
Director

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES-INPATIENT HOSPITAL CARE

ADDITIONAL CLASS OF DISPROPORTIONATE SHARE PAYMENTS

Effective October 1, 2000, the Department established an additional class of disproportionate share (DSH) payments to certain qualifying hospitals, which advanced the Department's goal of enhanced access to multiple types of medical care in economically distressed areas of the Commonwealth.

The Department considers a hospital eligible, provided it is an acute care general hospital that meets all of the following criteria:

- (a) The hospital provides in excess of 100,000 inpatient days to Medical Assistance (MA) eligible individuals as reported on its Fiscal Year 2004-2005 MA Hospital Cost Report (MA 336);
- (b) The hospital has a Low-Income Utilization Rate in excess of the 95th percentile of the Low-Income Utilization Rate for all enrolled acute care general hospitals as reported on its Fiscal Year 2004-2005 MA Hospital Cost Report (MA 336);
- (c) The hospital's ratio of MA revenue to net patient revenue exceeds the 98th percentile for all Commonwealth acute care general hospitals as reported in the Pennsylvania Health Care Cost Containment Council's 2006 Financial Analysis, Volume One;
- (d) The dollar value of the hospital's uncompensated care equals or exceeds the 94th percentile of the value to uncompensated care for all acute care general hospitals as reported in the Pennsylvania Health Care Cost Containment Council's 2006 Financial Analysis, Volume One;
- (e) The hospital is located in a Census tract designated by the Bureau of Primary Health Care of the Health Resource and Services Administration as a Medically Underserved Area.

For Fiscal Year 2015-2016, the fiscal impact as a result of these payments is \$37.237 million in total funds (\$17.870 million in State General Funds).

Payments will be divided proportionally among qualifying hospitals based on the percentage of each qualifying hospital's MA inpatient days to the total MA inpatient days of all qualifying facilities.

All payment limitations are still applicable, including those limitations that the Commonwealth may not exceed its aggregate annual DSH allotment and that no hospital may receive DSH payments in excess of its hospital-specific limit. The Department will not redistribute DSH payments made under this additional class of DSH payments to qualifying hospitals as a result of a qualifying hospital exceeding its hospital-specific DSH limit.
