RE: State Plan Amendment 16-0037

Dear Mr. Dallas:

We have completed our review of State Plan Amendment (SPA) 16-0037. This SPA modifies Attachment 4.19-A of Pennsylvania's Title XIX State Plan. Specifically, the amendment continues certain inpatient supplemental and disproportionate share hospital payments to qualifying hospitals.

We conducted our review of this SPA according to the statutory requirements at sections 1902(a)(3), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act (the Act) and the regulations at 42 CFR 447 Subpart C. We are approving state plan amendment 16-0037 effective September 25, 2016. We are enclosing the HCFA-179 and the amended plan pages.

If you have any questions, or require additional information, please call Gary Knight at (304) 347-5723.

Sincerely,

/S/

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES-INPATIENT HOSPITAL CARE

(A) Except as provided in (D), beginning in SFY 2013-2014, for the second and subsequent full SFY of PA MA enrollment of a new hospital that qualifies for one or more of these payments, the payments will be annualized if the first full SFY payment had been prorated as described in (B)(3) and (B)(4), or the source data will be annualized prior to determining the annual payment allocation if the source data was not annualized as described in (B)(1) and (B)(2).

(D) For each of the payments listed in (B) for new hospitals, the Department will determine a final payment amount using actual MA data relating to the new hospital's first full SFY of enrollment once that data becomes available. The Department will reconcile payments made to final payment amounts subject to available funding.

For FY 2016-2017, the Department will allocate an annualized amount of \$2.365 million (\$1.141 million in State General Funds) for these DSH and supplemental payments adjusted to reflect the reconciliation factor described in Part VI.
