Dear Mr. Colon:

We have completed our review of the submission of Puerto Rico State Plan Amendment (SPA) 13-003 which was received in our office on November 18, 2013 and find it acceptable for incorporation into Puerto Rico's Medicaid State Plan. This SPA is being submitted to comply with Section 2301 of the ACA which requires states that recognize freestanding birth centers, and the services rendered by certain other professionals providing services in a freestanding birth center to cover the services provided by those centers and professionals as mandatory Medicaid services eligible for FFP.

Please note that the approval date of this SPA is January 28, 2014 with an effective date of October 1, 2013. Copy of the approved State Plan page and the signed CMS-179 are enclosed.

If you have any questions, or wish to discuss this further, please contact Ivelisse Salce of my staff at (212) 616-2411

Sincerely,

/s/

Michael Melendez
Associate Regional Administrator
Division of Medicaid and Children's Health
