Notwithstanding any other provisions of the South Carolina Medicaid State Plan, the financial eligibility methodologies described in SPA SC 13-0014-MM1 will apply to all MAGI-based eligibility groups covered under South Carolina's Medicaid State Plan. The MAGI financial methodologies set forth in 42 CFR §435.603 apply to everyone except those individuals described at 42 CFR §435.603(j) for whom MAGI-based methods do not apply. This SPA supersedes the current financial eligibility provisions of the Medicaid State Plan only with respect to the MAGI-based eligibility groups.

Congratulations to you and your staff for your hard work and strong collaboration. If you have any questions, please contact Maria Drake at 404-562-3697 or by e-mail at Maria.Drake@cms.hhs.gov.
