23. REMARKS

- 6a. PODIATRIST. Podiatry services must be medically necessary and conform to the guidelines and limitations as specified under Musculoskeletal System/Podiatry Services Section of the Professional Services Manual. The state assures that EPSDT eligible clients have access to Section 1905(a) services not specifically listed in the state plan when they are medically necessary. Services provided as described in Section 1905(a) to correct or ameliorate defects and physical and mental illnesses and conditions not specified in the state plan will be provided if determined to be medically necessary by the appropriate agency staff. Any services beyond the limitations noted in the State Plan must be available based on a medical necessity determination. Podiatry providers are licensed practitioners and provide services within the scope of practice as defined under State law and in accordance with the requirements of CFR 440.60(a)
- 6b. OPTOMETRIST. Vision Care services are those which are reasonable and necessary for the diagnosis and treatment of conditions of the visual system and the provision of lenses and/or frames as applicable. Optometry providers are licensed practitioners and provide services within the scope of practice as defined under State law and in accordance with the requirements of CFR 440.60(a)

Covered Services:
