Pregnant Women - Women who are pregnant or post-partum, with household income at or below a standard established by the state.

The state attests that it operates this eligibility group in accordance with the following provisions:

Individuals qualifying under this eligibility group must be pregnant or post-partum, as defined in 42 CFR 435.4.

Pregnant women in the last trimester of their pregnancy without dependent children are eligible for full benefits under this group in accordance with section 1931 of the Act, if they meet the income standard for state plan Parents and Other Caretaker Relatives at 42 CFR 435.110.

Yes No

MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

Income standard used for this group

Minimum income standard (Once entered and approved by CMS, the minimum income standard cannot be changed.)

The state had an income standard higher than 133% FPL established as of December 19, 1989 for determining eligibility for pregnant women, or as of July 1, 1989, had authorizing legislation to do so.

Yes No

The minimum income standard for this eligibility group is 133% FPL.

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for pregnant women to MAGI-equivalent standards and the determination of the maximum income standard to be used for pregnant women under this eligibility group.

An attachment is submitted.

The state's maximum income standard for this eligibility group is:

The state's highest effective income level for coverage of pregnant women under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified pregnant women), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related pregnant women), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related pregnant women), 1902(a)(10)(A)(ii)(I) (pregnant women who meet AFDC financial eligibility criteria) and 1902(a)(10)(A)(ii)(IV) (institutionalized pregnant women) in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

Medicaid Eligibility

Income standard chosen

Indicate the state's income standard used for this eligibility group:

- The minimum income standard
- The maximum income standard
- Another income standard in-between the minimum and maximum standards allowed.

There is no resource test for this eligibility group.

Benefits for individuals in this eligibility group consist of the following:

- All pregnant women eligible under this group receive full Medicaid coverage under this state plan.
- Pregnant women whose income exceeds the income limit specified below for full coverage of pregnant women receive only pregnancy-related services.

Presumptive Eligibility

The state covers ambulatory prenatal care for individuals under this group when determined presumptively eligible by a qualified entity.

- Yes No

The presumptive period begins on the date the determination is made.

The end date of the presumptive period is the earlier of:

The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or

The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

There may be no more than one period of presumptive eligibility per pregnancy.

A written application must be signed by the applicant or representative.
