

28. a. Transportation (continued).

- Non-emergency transportation is provided through a brokerage program as an optional medical service in accordance with 1902(a)(70) of the Social Security Act and 42 CFR 440.170(a)(4).

The broker program will operate in the following transportation service areas (TSA) 1, 3, 4, 15, 16, 18, and 22.

The State assures it has established a non-emergency medical transportation program in accordance with 1902(a)(70) of the Social Security Act in order to more cost-effectively provide transportation and can document, upon request from CMS, that the transportation broker was procured in compliance with the requirements of 45 CFR 92.36(b)-(i).

- (1) The State will operate the broker program without the requirements of the following paragraphs of section 1902(a).

- (1) state-wideness (indicate areas of State that are covered)  
 (10)(B) comparability (indicate participating beneficiary groups)  
 (23) freedom of choice (indicate mandatory population groups)

- (2) Transportation services provided will include:

- wheelchair  
 taxi  
 stretcher car  
 bus passes  
 tickets  
 secured transportation  
 other transportation: demand response transport
