Dear Mr. Millwee:

We have reviewed the State's proposed amendment to the Texas State Plan submitted under Transmittal Number 11-056, dated December 9, 2011. This state plan amendment changes the reimbursement methodology from a monthly unit of service to a fifteen minute unit of service and clarifies the definition of a unit of service for Targeted Case Management for infants and toddlers with developmental disabilities.

Based on the information submitted, we have approved the amendment for incorporation into the official Texas State Plan with an effective date change of October 1, 2011. A copy of the CMS-179 and the approved plan pages are enclosed with this letter.

If you have any questions, please contact Cheryl Rupley at (214) 767-6278.

Sincerely,

Bill Brooks  
Associate Regional Administrator
