PLAN APPROVED – ONE COPY ATTACHED
K. MEDICAL SUPPLIES AND EQUIPMENT

State-developed fee schedule rates are the same for both governmental and private providers. Payment are based on the established fee schedule unless a lesser amount is billed. The amount billed cannot exceed usual and customary charges to private pay patients. The rates are effective for services on or after July 1, 2020. These rates are published at http://health.utah.gov/medicaid/stplan/lookup/CoverageLookup.php.

In order to ensure access to care, for certain durable medical equipment (DME), Medicaid pays the rate established by the state agency through a competitive bidding process. Utah meets the certification requirements of Section 1902(a)(23) of the Social Security Act to permit the selection of one or more providers, through a competitive bidding process, to provide oxygen concentrators and apnea monitors on a statewide basis under the authority of Section 1915(a)(1)(B) of the Social Security Act and 42 CFR 431.54(d).

Rates for DME having a Medicare DME rate are set at 89.16% of the lessor of the Medicare rural, non-rural, and competitive bidding area rates.

HCPCS codes related to medical supplies and DME, classified as either miscellaneous or not otherwise specified, are reimbursed the provider's invoice cost plus 20% over invoice cost plus shipping. ((Invoice Cost X 1.2) + Shipping)
