**Eligibility Groups - Mandatory Coverage** **S25**  
**Parents and Other Caretaker Relatives**

42 CFR 435.110  
1902(a)(10)(A)(i)(I)  
1931(b) and (d)

**Parents and Other Caretaker Relatives** - Parents and other caretaker relatives of dependent children with household income at or below a standard established by the state.

The state attests that it operates this eligibility group in accordance with the following provisions:

Individuals qualifying under this eligibility group must meet the following criteria:

Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.

The state elects the following options:

This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.

Options relating to the definition of caretaker relative (select any that apply):

The definition of caretaker relative includes the domestic partner of the parent or other caretaker relative, even after the partnership is terminated.

Definition of domestic partner:

The definition of caretaker relative includes other relatives of the child based on blood (including those of half-blood), adoption or marriage.

Description of other relatives:

The definition of caretaker relative includes any adult with whom the child is living and who assumes primary responsibility for the dependent child's care.

Options relating to the definition of dependent child (select the one that applies):

The state elects to eliminate the requirement that a dependent child must be deprived of parental support or care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of at least one parent.

The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):
