#### RE: Washington State Plan Amendment (SPA) Transmittal Number 13-0030-MM

Dear Ms. Teeter and Ms. Lindeblad:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of State Plan Amendment (SPA) Transmittal Number 13-0030-MM. This SPA incorporates mandatory and optional Modified Adjusted Gross Income (MAGI) based eligibility groups into the Medicaid State Plan in accordance with the Affordable Care Act.

This SPA is approved effective January 1, 2014.

The new pages listed below should be placed in a separate section at the back of the state plan:

- S14, Pages 1-5
- S25, Pages 1-4
- S28, Pages 1-2
- S30, Pages 1-5
- S32, Pages 1-2
- S33, Page 1
- S50, Page 1
- S51, Page 1
- S52, Pages 1-3
- S53, Pages 1-3
- S54, Page 1
- S55, Page 1
- S57, Page 1
- S59, Page 1

Also, the new page titled, "Superseding Pages of the State Plan Material", should be placed in a separate section in front of the state plan.

If you have any additional questions or require further assistance, please contact me or have your staff contact Janice Adams at (206) 615-2541 or janice.adams@cms.hhs.gov.

Sincerely,

/S/

Carol J.C. Peverly Associate Regional Administrator Division of Medicaid and Children's Health Operations

cc: Ann Myers, State Plan Coordinator

Rigibility Groups - Mandatory Coverage Parents and Other Caretaker Relatives
2 CFR 435.110 902(a)(10)(A)(i)(I) 931(b) and (d)
Parents and Other Caretaker Relatives - Parents and other caretaker relatives of dependent children with household income at obelow a standard established by the state.
The state attests that it operates this eligibility group in accordance with the following provisions:
Individuals qualifying under this eligibility group must meet the following criteria:
Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.
The state elects the following options:
This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.
Options relating to the definition of caretaker relative (select any that apply):
Options relating to the definition of dependent child (select the one that applies):
The state elects to eliminate the requirement that a dependent child must be deprived of parental support or care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of at least one parent.
C The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):
Have household income at or below the standard established by the state.
MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI- Based Income Methodologies, completed by the state.
Income standard used for this group
Minimum income standard
The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 1988 converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standard
The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard.
An attachment is submitted.
Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for parents and other caretaker relatives to MAGI-equivalent standards and the determination of the maximum income standard to be used for parents and other caretaker relatives under this eligibility group.

#### An attachment is submitted.

The state's maximum income standard for this eligibility group is:

- The state's effective income level for section 1931 families under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
- C The state's effective income level for section 1931 families under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 () demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.

The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115

C demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

Enter the amount of the maximum income standard:

- C A percentage of the federal poverty level: %
- The state's AFDC payment standard in effect as of July 16, 1996, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.

The state's AFDC payment standard in effect as of July 16, 1996, increased by no more than the percentage increase in the Consumer Price Index for urban consumers (CPI-U) since such date, converted to a MAGIequivalent standard. The standard is described in S14 AFDC Income Standards.

C The state's TANF payment standard, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.

└┘ if sı	ividuals receiving active treatr uch services are provided unde er reasonable classifications	nent as inpatients in psychiatric faci er this plan	lities or programs,	
	Name of classification	Description	Age Limit	
+	Pregnant teens	Pregnant teens	Under age 19	V

Enter the income standard used for these classifications (which may be no higher than the highest standard used in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013).

Click here once \$11 form above is complete to view the income standards form.

#### **Pregnant** teens

Income standard used

Minimum income standard

The minimum income standard for this classification of children must exceed the lowest income standard chosen for children under this age under the Infants and Children under Age 19 eligibility group.

Maximum income standard

No income test was used (all income was disregarded) for this classification either in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

• Yes ( No

The state's maximum standard for this classification of children is no income test (all income is disregarded).

Income standard chosen

Individuals qualify under this classification under the following income standard:

• This classification does not use an income test (all income is disregarded).

C Another income standard higher than the minimum income standard.

New reasonable classifications covered

If the state has not elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does <u>not</u> cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.

C Yes ( No

There is no resource test for this eligibility group.

adoption establish	en with Non IV-E Adoption Assistance - The state elects to cover children with special needs for whom there is a non IV-E n assistance agreement in effect with a state, who were eligible for Medicaid, or who had income at or below a standard hed by the state and in accordance with provisions described at 42 CFR 435.227.
$\checkmark$	The state attests that it operates this eligibility group in accordance with the following provisions:
	Individuals qualifying under this eligibility group must meet the following criteria:
	The state adoption agency has determined that they cannot be placed without Medicaid coverage because of special needs for medical or rehabilitative care;
	Are under the following age (see the Guidance for restrictions on the selection of an age):
	• Under age 21
	C Under age 20
	C Under age 19
	C Under age 18
	MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI- Based Income Methodologies, completed by the state.
	The state covered this eligibility group in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.
	( Yes ( No
	The state also covered this eligibility group in the Medicaid state plan as of March 23, 2010.
	• Yes ( No
	Individuals qualify under this eligibility group if they were eligible under the state's approved state plan prior to the execution of the adoption agreement.
	The state used an income standard or disregarded all income for this eligibility group either in the Medicaid state pla as of March 23, 2010 or December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.
	• Yes ( No
	Income standard used for this eligibility group
	Minimum income standard
	The minimum income standard for this eligibility group is the AFDC payment standard in effect as of July 16, 1996, not converted to MAGI-equivalent. This standard is described in S14 AFDC Income Standards.
	Maximum income standard

Supersedes TN:\_

plar	income test was used (all income was disregarded) for this eligibility group either in the Medicaid state as of March 23, 2010 or December 31, 2013, or under a Medicaid 1115 Demonstration as of March 2010 or December 31, 2013.
C	Yes 💿 No
	The state certifies that it has submitted and received approval for its converted income standard(s) for this eligibility group to MAGI-equivalent standards and the determination of the maximum income standard to be used for individuals under this eligibility group.
	An attachment is submitted.
The	e state's maximum income standard for this eligibility group (which must exceed the minimum) is:
•	The state's effective income level for this eligibility group under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
C	The state's effective income level for this eligibility group under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
C	The state's effective income level for this eligibility group under a Medicaid 1115 Demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
ſ	The state's effective income level for this eligibility group under a Medicaid 1115 Demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.
Ent	er the amount of the maximum income standard:
•	A percentage of the federal poverty level: 210 %
C	The state's AFDC payment standard in effect as of July 16, 1996, converted to a MAGI-equivalent standard. This standard is described in S14 AFDC Income Standards. This option should be selected only if Under age 21 or Under age 20 was selected, and if the state has not elected to cover the Adult Group.
C	The state's TANF payment standard, converted to a MAGI-equivalent standard. This standard is described in S14 AFDC Income Standards. This option should be selected only if Under age 21 or Under age 20 was selected, and if the state has not elected to cover the Adult Group.
C	Other dollar amount
Inc	ome standard chosen
	ividuals qualify under this eligibility group under the following income standard, which must be higher n the minimum for this child's age:
C	The minimum standard.
С	The maximum income standard.
•	If not chosen as the maximum income standard, the state's effective income level for this eligibility group under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.
C	If not chosen as the maximum income standard, and if higher than the effective income level used under the Medicaid state plan as of March 23, 2010, the state's effective income level for this eligibility group under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL, or amounts by household size.
