This transmittal incorporates the Modified Adjusted Gross Income (MAGI)-Based Methodologies into the Medicaid State Plan in accordance with the Affordable Care Act.

This SPA is approved effective January 1, 2014.

The new pages, S10-1 and S10-2, should be placed in a separate section at the back of the state plan.

Also, the new page titled, Superseding Pages of State Plan Material, should be placed in a separate section in the front of the state plan. This page incorporates the following statement into the Washington State Plan:

“Notwithstanding any other provisions of the Washington Medicaid State Plan, the financial eligibility methodologies described in State Plan Amendment, WA 13-0032-MM3 will apply to all MAGI-based eligibility groups covered under Washington’s Medicaid State Plan. The MAGI financial methodologies set forth in 42 CFR § 435.603 apply to everyone except those individuals described at 42 CFR § 435.603(j) for whom MAGI-based methods do not apply. This State Plan Amendment supersedes the current financial eligibility provisions of the Medicaid State Plan only with respect to the MAGI-based eligibility groups.”
