RE: Washington State Plan Amendment (SPA) Transmittal Number 20-0010

Dear Ms. Birch and Ms. Lindeblad:

We have reviewed the proposed Washington State Plan Amendment (SPA) to Attachment 4.19-B of your state plan, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on March 16, 2020. This plan amendment updates the payment for professional services in case of a governor-declared state emergency (such as the current COVID-19 outbreak), when the Medicaid agency determines it is appropriate. This SPA also ensures payment for professional services provided via telephone services and /or online digital evaluation and management services at the same rates as for professional services provided face-to-face or via telemedicine, to support the delivery of health care services during a state of emergency.

Based upon the information provided by the State, we have approved the amendment with an effective date of January 1, 2020. We are enclosing the approved CMS-179 and a copy of the new state plan page.

If you have any additional questions or need further assistance, please contact DRR analyst James Moreth at James.Moreth@cms.hhs.gov or (206) 615-2043.

Sincerely,

A solid black rectangular box redacting the signature of Todd McMillion.

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State WASHINGTON**POLICY AND METHODS USED IN ESTABLISHING PAYMENT RATES FOR EACH OF THE OTHER TYPES OF CARE OR SERVICE LISTED IN SECTION 1905 (A) OF THE ACT THAT IS INCLUDED IN THE PROGRAM UNDER THE PLAN.**

I. General

1. The state Medicaid agency, the Health Care Authority (the agency), will take whatever measures are necessary to assure appropriate audit of records wherever reimbursement is based on costs of providing care or service, or fee plus cost of materials.
2. The agency maintains data indicating the allowed charges for claims made by providers. Such data will be made available to the Secretary of Health and Human Services upon request.
3. Payment methods are identified in the various sections of Attachment 4.19-B, and are established and designed to enlist participation of a sufficient number of providers in the program so that eligible persons can receive the medical care and services included in the plan at least to the extent these are available to the general population. Payment for extraordinary items or services under exception to policy is based upon agency approval and determination of medical necessity.
4. Participation in the program is limited to providers of services who accept, as payment in full, the amounts paid in accordance with the fee structure.
5. State payment will not exceed upper limits as described in regulations found in 42 CFR 447.300 through 447.371. Any increase in a payment structure that applies to individual practitioner services is documented in accordance with the requirements of 42.CFR 447.203.
6. Providers, including public and private practitioners, are paid the same rate for the same service, except when otherwise specified in the State Plan.
7. Agency fee schedules are published on the agency's website at <http://www.hca.wa.gov/medicaid/rbrvs/Pages/index.aspx>
8. In the case of a governor-declared state of emergency and when the agency determines it is appropriate, the agency may cover professional services provided via telephone services and/or online digital evaluation and management services at the same rates for professional services provided face-to-face or via telemedicine, to support the delivery of health care services.
