Total	31	33	21	13

Note: A total of 47 States and the District of Columbia participate in single-state and/or multi-state supplemental rebates arrangements. Hawaii, New Jersey, New Mexico, and South Dakota do not have supplemental rebate arrangements.

* In accordance with Section 2501(c) of the Affordable Care Act, states are expanding supplemental rebate collections to include drugs dispensed to beneficiaries who receive care from managed care organizations if the organizations are responsible for coverage of such drugs.
