*Hickson’s effective date for implementing the expansion is February 1, 2015. IN is not included in the “Subtotal for All States with Expansions in Effect and Providing Coverage in Reporting Month” because its expansion is not implemented as of January 2015.

**Individuals in PA began to receive coverage under the expansion on January 1, 2015.

**The state’s Marketplace uses the FFM’s information technology platform for eligibility and enrollment functions (the FFM makes either assessments or determinations of Medicaid and CHIP eligibility).

(-)=state has not reported data except as noted below.
