Medicaid and CHIP Disaster Relief MAGI-Based Verification Plan Addendum

The State Medicaid and CHIP agencies will implement the following changes to its policies and procedures described in this MAGI-based verification plan addendum, which are different from the policies and procedures otherwise applied under the state’s current MAGI-based verification plan, during the following period: March 1, 2020, through the end of the state’s 12-month unwinding period (as defined in SHO # 22-001) except where otherwise noted.

Check off each item and fill in the requested information if the state is electing the flexibility. Only indicate areas that are changes to your current verification plan elections. Do not check off the item if you currently use the indicated flexibility. For example, if the state currently accepts attestation of residency, that item does not need to be checked off in this addendum. For additional information regarding disaster-related verification flexibilities, refer to the CMS Disaster Preparedness Toolkits.

STATE: Nevada
Effective Date: March 1, 2020 through the end of the state’s 12-month unwinding period (as defined in SHO # 22-001) except where otherwise noted

Section A – Verification Procedures for Factors of Eligibility

Income-related Verification Processes - Reasonable Compatibility and Documentation:

___ X ___ The agency will utilize a reasonable compatibility standard threshold as follows (percent and/or dollar threshold): 20% effective January 1, 2023 through the end of the state’s 12-month unwinding period (as defined in SHO # 22-001).

___ The agency will accept self-attestation without additional verification of income under the circumstances specified here (note: changes in use of data sources are included in Section B below):

______ The agency will conduct post-enrollment verification of income at application. Specify when, post-enrollment, the agency will conduct the post-enrollment verification: ___________

Non-Income-related Verification Processes: Effective March 1, 2020 through the end of the state’s 12-month unwinding period as defined in SHO # 22-001

___ X ___ The agency will accept attestation for the following non-income related factors of eligibility:

__ Residency
__ Age/Date of Birth
__ Household composition

__ Receipt of other coverage (such as Medicare)

___ X ___ Other (as permissible under applicable statute and regulations): Allow self-attestation of other insurance coverage (for Title XIX Medicaid, Title XXI Medicaid CHIP Expansion & Title XXI Separate CHIP), without requiring post enrollment verification (except when not reasonably compatible with information provided or circumstances are questionable). When questionable, the state may request documentation from the applicant/recipient to reconcile any discrepancy.

___ The agency will conduct post-enrollment verification of the following non-income related factors of eligibility at application as specified here (include when, post-enrollment, the agency will conduct the post-enrollment verification):
Section B – Use of Electronic Data Sources

___X__ The agency has determined that the following income-related data sources will not be checked periodically between initial application and regular renewals:

___ Internal Revenue Service
___ Social Security Administration (SSI and SSDI)
___ State Wage Income Collection Agency
___ State Unemployment Compensation
___ Supplemental Nutrition Assistance Program (SNAP)
___ Temporary Assistance for Needy Families (TANF)
___ The Work Number/TALX
___ PARIS
___ Other: ________________

Additional Information/Changes: __________________________________________________________

Other – Indicate Any Additional Changes to Verification Processes That Have Not Been Addressed

___ Other: ___________________________________________________________________________
