RE: HCBS Settings Corrective Action Plan Completion

Dear Director Offord,

This letter is regarding Alabama's corrective action plan (CAP) to bring settings into compliance with the home and community-based services (HCBS) regulations found at 42 CFR §441.301(c)(4)-(5). These issues affected the following Home and Community Based Services (HCBS) waiver/programs:

**1915(c) HCBS Waivers:**

- Home and Community-Based Waiver for Persons with Intellectual Disabilities, AL.0001;
- Home and Community-Based Services Living at Home Waiver for Persons with Intellectual Disabilities, AL.0391;
- Community Transitions Waiver, AL.0878; and
- Home and Community-Based Waiver for the Elderly and Disabled, AL.0068.

The Centers for Medicare & Medicaid Services (CMS) has determined that Alabama has completed all required milestones outlined in the HCBS Settings CAP. CMS will continue to provide technical assistance as needed to your state regarding the required federal waiver assurances.
