RE: Corrective Action Plan Completion for KY.0144 and KY.0314

Dear Commissioner Lee:

This letter is regarding Kentucky's corrective action plan (CAP) to bring settings into compliance with the federal home and community based (HCBS) regulations found at 42 CFR §441.301(c)(4)-(5). These issues affected the following Home and Community Based Services (HCBS) waiver/program(s):

- Home- and Community-Based Waiver KY.0144
- Supports for Community Living KY.0314

The Centers for Medicare & Medicaid Services (CMS) has determined that Kentucky meets all requirements related to the development and implementation of the CAP. CMS will continue to provide technical assistance as needed to your state regarding the required federal waiver assurances.
