RE: Corrective Action Plan Completion for Montana's HCBS Statewide Transition Plan

Dear Director de Camara:

This letter is regarding Montana's corrective action plan (CAP) to address compliance with the federal home and community-based services (HCBS) regulations found at 42 CFR § 441.301(c)(4)-(5). These issues affected the following Home and Community Based Services (HCBS) waiver/program (s):

- MT Big Sky Waiver, MT 0148
- MT Developmental Disabilities Comprehensive Waiver, MT 0208; and
- MT Severe Disabling Mental Illness Waiver, MT 0455

The Centers for Medicare & Medicaid Services (CMS) has determined that Montana meets all requirements related to the development and implementation of the CAP. CMS will continue to provide technical assistance as needed to your state regarding the required federal waiver assurances.
