RE: Corrective Action Plan Completion for South Carolina Community Supports Waiver, SC.0676, Head and Spinal Cord Injury Waiver, SC.0284, and Intellectually Disabled and Related Disabilities Waiver, SC.0237

Dear Director Medina:

This letter is regarding South Carolina's corrective action plan (CAP) to address the federal home and community-based services (HCBS) regulations found at 42 CFR §441.301(c)(4)-(5). These issues affected the following HCBS waiver/programs:

- Community Supports Waiver, SC.0676
- Head and Spinal Cord Injury Waiver, SC.0284
- Intellectually Disabled and Related Disabilities Waiver, SC.0237

The Centers for Medicare & Medicaid Services (CMS) has determined that South Carolina meets all requirements related to the development and implementation of the CAP. CMS will continue to provide technical assistance as needed to your state regarding the required federal waiver assurances.
