Dear State Medicaid Director Ford:

This letter is regarding Virginia's corrective action plan (CAP) to address Site-Specific Remediation and Validation Activities, and Statewide Compliance with the federal home and community-based services (HCBS) regulations found at 42 CFR §441.301(c)(4)-(5). These issues affected the following HCBS waiver/program(s):

- 1915(c) Community Living, VA.0372
- 1915(c) Family and Individual Supports, VA.0358
- 1915(c) Building Independence, VA.0430

The Centers for Medicare & Medicaid Services (CMS) has determined that the Commonwealth of Virginia meets all requirements related to the development and implementation of the CAP. The CAP has been included with this approval letter. CMS will continue to provide technical assistance as needed to your state regarding the required federal waiver assurances.
