| Notes: Program notes | <p>In addition to the 1915(b) waiver, CMS granted initial authority through an 1115 waiver to ensure compliance as related to having one health plan choice for those Medicaid Expansion recipients in urban areas of the State. CMS extended this 1115 waiver authority until such time that the Final Medicaid Managed Care CFR were published (May 6, 2016) - with the changes noted at 42 CFR § 438.52(b)(1) and (b)(3) the 1115 waiver was no longer needed thus it was allowed to expire.-Per the Medicare Advantage Health Service Delivery (HSD) Reference file for the applicable calendar year, ND no longer has any counties designated as being urban thus the State may limit rural area residents to a single MCO.</p> |
