Ms. Melanie Bush
Deputy Secretary
North Carolina Department of Health and Human Services
1985 Umstead Drive, 2501 Mail Service Center
Raleigh, NC 27699-2501

Dear Ms. Melanie Bush:

In accordance with 42 CFR 438.6(c), the Centers for Medicare & Medicaid Services (CMS) has reviewed and is approving North Carolina's submission of a proposal for a state directed payment (SDP) under Medicaid managed care plan contract(s). The proposal was received by CMS on April 01, 2026, and a final revised preprint was received on June 10, 2026. The proposal has a control name of NC_Fee_BHI_Renewal_20260701-20270630.

CMS has completed our review of the following Medicaid managed care SDP(s):

- Uniform dollar increase for eligible behavioral health inpatient services for the rating period covering July 1, 2026 through June 30, 2027, incorporated in the capitation rates through a risk-based rate adjustment up to \$136,400,000.

This letter satisfies the regulatory requirement in 42 CFR 438.6(c)(2) for SDPs described in 42 CFR 438.6(c)(1). This letter pertains only to the actions identified above and does not apply to other actions currently under CMS's review. This letter does not constitute approval of any specific Medicaid financing mechanism used to support the non-federal share of expenditures associated with these actions. All relevant federal laws and regulations apply. CMS reserves its authority to enforce requirements in the Social Security Act and the applicable implementing regulations.

The state is required to submit contract action(s) and related capitation rates that include all SDPs, including those that do not require written prior approval as specified in 42 CFR 438.6(c)(2)(i). Additionally, all SDPs must be addressed in the applicable rate certifications. CMS recommends that states share this letter and the preprint(s) with the certifying actuary. Documentation of all SDPs must be included in the initial rate certification as outlined in Section I, Item 4, Subsection D, of the [Medicaid Managed Care Rate Development Guide](#). The state and its actuary must ensure all documentation outlined in the Medicaid Managed Care Rate Development Guide is included in the initial rate certification. Failure to provide all required documentation in the rate certification will cause delays in CMS review.

Approval of this SDP proposal for the applicable rating period does not preclude CMS from requesting additional materials from the state, revision to the SDP proposal design, or any other modifications to the proposal for this rating period or future rating periods, if CMS determines that such modifications are required for the state to meet relevant federal requirements.

CMS approval of this SDP preprint is conditioned on the state's continued compliance with Medicaid program integrity requirements, including 42 CFR 438 and 42 CFR 455. The state

must ensure that the state and its managed care plans appropriately support program integrity activities, including the prevention, detection, investigation, referral, and resolution of fraud, waste, and abuse through appropriate staffing, oversight, controls, data, analytics, reporting, audits, and other actions. The state is responsible for monitoring all aspects of the managed care program, including the performance of every managed care plan related to program integrity as required in 42 CFR 438.66(b)(9). Any material changes to managed care plans' program integrity responsibilities must be clearly effectuated through the state's managed care contracts submitted to CMS for review and approval in accordance with 42 CFR 438.3(a).

If you have any questions concerning this letter, please contact
StateDirectedPayment@cms.hhs.gov.

Sincerely,

John Giles
Director, Managed Care Group
Center for Medicaid and CHIP Services

Section 438.6(c) Preprint

42 C.F.R. § 438.6(c) provides States with the flexibility to implement delivery system and provider payment initiatives under MCO, PIHP, or PAHP Medicaid managed care contracts (i.e., state directed payments). 42 C.F.R. § 438.6(c)(1) describes types of payment arrangements that States may use to direct expenditures under the managed care contract. Under 42 C.F.R. § 438.6(c)(2)(ii), contract arrangements that direct an MCO's, PIHP's, or PAHP's expenditures under paragraphs (c)(1)(i) through (c)(1)(ii) and (c)(1)(iii)(B) through (D) must have written approval from CMS prior to implementation and before approval of the corresponding managed care contract(s) and rate certification(s). This preprint implements the prior approval process and must be completed, submitted, and approved by CMS before implementing any of the specific payment arrangements described in 42 C.F.R. § 438.6(c)(1)(i) through (c)(1)(ii) and (c)(1)(iii)(B) through (D). Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules using State plan approved rates as defined in 42 C.F.R. § 438.6(a).

Submit all state directed payment preprints for prior approval to:
StateDirectedPayment@cms.hhs.gov.

SECTION I: DATE AND TIMING INFORMATION

1. Identify the State's managed care contract rating period(s) for which this payment arrangement will apply (for example, July 1, 2020 through June 30, 2021):
July 1, 2026 - June 30, 2027
2. Identify the State's requested start date for this payment arrangement (for example, January 1, 2021). *Note, this should be the start of the contract rating period unless this payment arrangement will begin during the rating period.* July 1, 2026
3. Identify the managed care program(s) to which this payment arrangement will apply:
PIHPs and PHPs including Tailored Plan, Standard Plan
4. Identify the estimated **total dollar amount** (federal and non-federal dollars) of this state directed payment: \$136,400,000
 - a. Identify the estimated federal share of this state directed payment: \$87,500,000
 - b. Identify the estimated non-federal share of this state directed payment: \$48,900,000

Please note, the estimated total dollar amount and the estimated federal share should be described for the rating period in Question 1. If the State is seeking a multi-year approval (which is only an option for VBP/DSR payment arrangements (42 C.F.R. § 438.6(c)(1)(i)-(ii))), States should provide the estimates per rating period. For amendments, states should include the change from the total and federal share estimated in the previously approved preprint.

5. Is this the initial submission the State is seeking approval under 42 C.F.R. § 438.6(c) for this state directed payment arrangement? ☐ Yes ☒ No

6. If this is not the initial submission for this state directed payment, please indicate if:
- a. ☐ The State is seeking approval of an amendment to an already approved state directed payment.
 - b. ☒ The State is seeking approval for a renewal of a state directed payment for a new rating period.
 - i. If the State is seeking approval of a renewal, please indicate the rating periods for which previous approvals have been granted:
SFY 22, SFY 23, SFY 24, SFY 25, SFY 26
 - c. Please identify the types of changes in this state directed payment that differ from what was previously approved.
 - ☐ Payment Type Change
 - ☐ Provider Type Change
 - ☐ Quality Metric(s) / Benchmark(s) Change
 - ☐ Other; please describe:
- ☒ No changes from previously approved preprint other than rating period(s).
7. ☒ Please use the checkbox to provide an assurance that, in accordance with 42 C.F.R. § 438.6(c)(2)(ii)(F), the payment arrangement is not renewed automatically.

SECTION II: TYPE OF STATE DIRECTED PAYMENT

8. In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(A), describe in detail how the payment arrangement is based on the utilization and delivery of services for enrollees covered under the contract. The State should specifically discuss what must occur in order for the provider to receive the payment (e.g., utilization of services by managed care enrollees, meet or exceed a performance benchmark on provider quality metrics).

Directed payments to Non-State Intermediate Care Facilities for PHP and PIHP enrollees will be made based on actual utilization and on a claim specific basis. Two uniform increases will be made, one to support market factors and a second to support increases to direct care workers at the ICF and will only be made if the ICF has attested to using the enhanced funding for such purpose.

- a. ☒ Please use the checkbox to provide an assurance that CMS has approved the federal authority for the Medicaid services linked to the services associated with the SDP (i.e., Medicaid State plan, 1115(a) demonstration, 1915(c) waiver, etc.).
- b. Please also provide a link to, or submit a copy of, the authority document(s) with initial submissions and at any time the authority document(s) has been renewed/revised/updated.

9. Please select the general type of state directed payment arrangement the State is seeking prior approval to implement. (Check all that apply and address the underlying questions for each category selected.)

- a. ☐ **VALUE-BASED PAYMENTS / DELIVERY SYSTEM REFORM:** In accordance with 42 C.F.R. § 438.6(c)(1)(i) and (ii), the State is requiring the MCO, PIHP, or PAHP to implement value-based purchasing models for provider reimbursement, such as alternative payment models (APMs), pay for performance arrangements, bundled payments, or other service payment models intended to recognize value or outcomes over volume of services; or the State is requiring the MCO, PIHP, or PAHP to participate in a multi-payer or Medicaid-specific delivery system reform or performance improvement initiative.

If checked, please answer all questions in Subsection IIA.

- b. ☒ **FEE SCHEDULE REQUIREMENTS:** In accordance with 42 C.F.R. § 438.6(c)(1)(iii)(B) through (D), the State is requiring the MCO, PIHP, or PAHP to adopt a minimum or maximum fee schedule for network providers that provide a particular service under the contract; or the State is requiring the MCO, PIHP, or PAHP to provide a uniform dollar or percentage increase for network providers that provide a particular service under the contract. **[Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules using State plan approved rates as defined in 42 C.F.R. § 438.6(a).]**

If checked, please answer all questions in Subsection IIB.

SUBSECTION IIA: VALUE-BASED PAYMENTS (VBP) / DELIVERY SYSTEM REFORM (DSR):

This section must be completed for all state directed payments that are VBP or DSR. This section does not need to be completed for state directed payments that are fee schedule requirements.

10. Please check the type of VBP/DSR State directed payment the State is seeking prior approval for. *Check all that apply; if none are checked, proceed to Section III.*

- ☐ Quality Payment/Pay for Performance (Category 2 APM, or similar)
- ☐ Bundled Payment/Episode-Based Payment (Category 3 APM, or similar)
- ☐ Population-Based Payment/Accountable Care Organization (Category 4 APM, or similar)
- ☐ Multi-Payer Delivery System Reform
- ☐ Medicaid-Specific Delivery System Reform
- ☐ Performance Improvement Initiative
- ☐ Other Value-Based Purchasing Model

11. Provide a brief summary or description of the required payment arrangement selected above and describe how the payment arrangement intends to recognize value or outcomes over volume of services. If “other” was checked above, identify the payment model. The State should specifically discuss what must occur in order for the provider to receive the payment (e.g., meet or exceed a performance benchmark on provider quality metrics).

12. In Table 1 below, identify the measure(s), baseline statistics, and targets that the State will tie to provider performance under this payment arrangement (provider performance measures). Please complete all boxes in the row. To the extent practicable, CMS encourages states to utilize existing, validated, and outcomes-based performance measures to evaluate the payment arrangement, and recommends States use the [CMS Adult and Child Core Set Measures](#) when applicable. If the state needs more space, please use Addendum Table 1.A and check this box: ☐

1. Baseline data must be added after the first year of the payment arrangement

2. If state-developed, list State name for Steward/Developer.

3. If this is planned to be a multi-year payment arrangement, indicate which year(s) of the payment arrangement that performance on the measure will trigger payment.

4. If the State is using an established measure and will deviate from the measure steward’s measure specifications, please describe here. Additionally, if a state-specific measure will be used, please define the numerator and denominator here.

a. Please describe the methodology used to set the performance targets for each measure.

b. If multiple provider performance measures are involved in the payment arrangement, discuss if the provider must meet the performance target on each measure to receive payment or can providers receive a portion of the payment if they meet the performance target on some but not all measures?

c. For state-developed measures, please briefly describe how the measure was developed?

14. Is the State seeking a multi-year approval of the state directed payment arrangement?

☐ Yes ☒ No

- a. If this payment arrangement is designed to be a multi-year effort, denote the State's managed care contract rating period(s) the State is seeking approval for.
- b. If this payment arrangement is designed to be a multi-year effort and the State is **NOT** requesting a multi-year approval, describe how this application's payment arrangement fits into the larger multi-year effort and identify which year of the effort is addressed in this application.

15. Use the checkboxes below to make the following assurances:

- a. ☐ In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(A), the state directed payment arrangement makes participation in the value-based purchasing initiative, delivery system reform, or performance improvement initiative available, using the same terms of performance, to the class or classes of providers (identified below) providing services under the contract related to the reform or improvement initiative.
- b. ☐ In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(B), the payment arrangement makes use of a common set of performance measures across all of the payers and providers.
- c. ☐ In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(C), the payment arrangement does not set the amount or frequency of the expenditures.
- d. ☐ In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(D), the payment arrangement does not allow the State to recoup any unspent funds allocated for these arrangements from the MCO, PIHP, or PAHP.

SUBSECTION IIB: STATE DIRECTED FEE SCHEDULES:

This section must be completed for all state directed payments that are fee schedule requirements. This section does not need to be completed for state directed payments that are VBP or DSR.

16. Please check the type of state directed payment for which the State is seeking prior approval. Check all that apply; if none are checked, proceed to Section III.

- a. ☐ Minimum Fee Schedule for providers that provide a particular service under the contract *using rates other than State plan approved rates*¹ (42 C.F.R. § 438.6(c)(1)(iii)(B))
- b. ☐ Maximum Fee Schedule (42 C.F.R. § 438.6(c)(1)(iii)(D))
- c. ☒ Uniform Dollar or Percentage Increase (42 C.F.R. § 438.6(c)(1)(iii)(C))

¹ Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules that use State plan approved rates as defined in 42 C.F.R. § 438.6(a).

17. If the State is seeking prior approval of a fee schedule (options a or b in Question 16):

- a.** Check the basis for the fee schedule selected above.
 - i.** ☐ The State is proposing to use a fee schedule based on the **State-plan approved rates** as defined in 42 C.F.R. § 438.6(a). ²
 - ii.** ☐ The State is proposing to use a fee schedule based on the **Medicare or Medicare-equivalent rate**.
 - iii.** ☐ The State is proposing to use a fee schedule based on an **alternative fee schedule established by the State**.
 - 1.** If the State is proposing an alternative fee schedule, please describe the alternative fee schedule (e.g., 80% of Medicaid State-plan approved rate)
- b.** Explain how the state determined this fee schedule requirement to be reasonable and appropriate.

18. If using a maximum fee schedule (option b in Question 16), please answer the following additional questions:

- a.** ☐ Use the checkbox to provide the following assurance: In accordance with 42 C.F.R. § 438.6(c)(1)(iii)(C), the State has determined that the MCO, PIHP, or PAHP has retained the ability to reasonably manage risk and has discretion in accomplishing the goals of the contract.
- b.** Describe the process for plans and providers to request an exemption if they are under contract obligations that result in the need to pay more than the maximum fee schedule.
- c.** Indicate the number of exemptions to the requirement:
 - i.** Expected in this contract rating period (estimate)
 - ii.** Granted in past years of this payment arrangement
- d.** Describe how such exemptions will be considered in rate development.

² Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules that use State plan approved rates as defined in 42 C.F.R. § 438.6(a).

19. If the State is seeking prior approval for a uniform dollar or percentage increase (option c in Question 16), please address the following questions:

- a.** Will the state require plans to pay a ☒ uniform dollar amount **or** a ☐ uniform percentage increase? (*Please select only one.*)
- b.** What is the magnitude of the increase (e.g., \$4 per claim or 3% increase per claim?)
- c.** Describe how will the uniform increase be paid out by plans (e.g., upon processing the initial claim, a retroactive adjustment done one month after the end of quarter for those claims incurred during that quarter).

The per diem add on will be equal to \$34.29 for every claim. An increase of \$102.06 will be paid to support DCW wage increases.

The PIHPs and the PHPs will pay out the initial uniform increase upon processing the initial claim and the \$102.06 will be paid so long as the ICF provider has attested to using the increase to support direct care worker wage increases.

- d.** Describe how the increase was developed, including why the increase is reasonable and appropriate for network providers that provide a particular service under the contract

Fee-for-service rates were increased February 1, 2022 to support direct care worker wage increases at the ICFs. As the PIHPs and PHPs were able to pay slightly differently than the FFS fee schedule, NC is directing the PIHPs and PHPs to increase the rates paid to the ICF consistent with the increases that were implemented in FFS. Additionally in SFY 26, the state included another uniform increase on all claims based on market factors which is also reflected in the state's FFS fee schedule. Consistent with previous methodologies, this results in a uniform increase to providers to ensure providers get the full value of the FFS increase under managed care.

SECTION III: PROVIDER CLASS AND ASSESSMENT OF REASONABLENESS

20. In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(B), identify the class or classes of providers that will participate in this payment arrangement by answering the following questions:

- a.** Please indicate which general class of providers would be affected by the state directed payment (check all that apply):

- ☐ inpatient hospital service
- ☐ outpatient hospital service
- ☐ professional services at an academic medical center
- ☐ primary care services
- ☐ specialty physician services
- ☐ nursing facility services
- ☐ HCBS/personal care services
- ☒ behavioral health inpatient services
- ☐ behavioral health outpatient services
- ☐ dental services
- ☐ Other:

- b.** Please define the provider class(es) (if further narrowed from the general classes indicated above).

Increases will be tied to Non-state ICF claims based on market factors and to support wage increases for direct care workers. No class of providers who provide the services will be excluded from the directed payment.

- c. Provide a justification for the provider class defined in Question 20b (e.g., the provider class is defined in the State Plan.) If the provider class is defined in the State Plan, please provide a link to or attach the applicable State Plan pages to the preprint submission. Provider classes cannot be defined to only include providers that provide intergovernmental transfers.

Non-State ICF providers have a specific payment methodology in the FFS state plan found at Attachment 4.19-D Addendum ICF-MR Page 6-29 and the increase is listed on Attachment 4.19-D Addendum ICF-MR Supplement 1, Page 1a

21. In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(B), describe how the payment arrangement directs expenditures equally, using the same terms of performance, for the class or classes of providers (identified above) providing the service under the contract. All non-state ICF facilities will receive the same level of increase per service.

22. For the services where payment is affected by the state directed payment, how will the state directed payment interact with the negotiated rate(s) between the plan and the provider? Will the state directed payment:
- a. ☐ Replace the negotiated rate(s) between the plan(s) and provider(s).
 - b. ☐ Limit but not replace the negotiated rate(s) between the plans(s) and provider(s).
 - c. ☒ Require a payment be made in addition to the negotiated rate(s) between the plan(s) and provider(s).

23. For payment arrangements that are intended to require plans to make a payment in addition to the negotiated rates (as noted in option c in Question 22), please provide an analysis in Table 2 showing the impact of the state directed payment on payment levels for each provider class. This provider payment analysis should be completed distinctly for each service type (e.g., inpatient hospital services, outpatient hospital services, etc.).

This should include an estimate of the base reimbursement rate the managed care plans pay to these providers as a percent of Medicare, or some other standardized measure, and the effect the increase from the state directed payment will have on total payment. *Ex: The average base payment level from plans to providers is 80% of Medicare and this SDP is expected to increase the total payment level from 80% to 100% of Medicare.*

If the state needs more space, please use Addendum 2.A and check this box: ☐

TABLE 2: Provider Payment Analysis

Provider Class(es)	Average Base Payment Level from Plans to Providers (absent the SDP)	Effect on Total Payment Level of State Directed Payment (SDP)	Effect on Total Payment Level of Other SDPs	Effect on Total Payment Level of Pass-Through Payments (PTPs)	Total Payment Level (after accounting for all SDPs and PTPs)
<i>Ex: Rural Inpatient Hospital Services</i>	80%	20%	N/A	N/A	100%
a. ICF - Standard Plan	49%	22%			71%

c. ICF - PIHP	49%	22%			71%

24. Please indicate if the data provided in Table 2 above is in terms of a percentage of:

- a. ☒ Medicare payment/cost
- b. ☐ State-plan approved rates as defined in 42 C.F.R. § 438.6(a) (*Please note, this rate cannot include supplemental payments.*)
- c. ☐ Other; Please define:

25. Does the State also require plans to pay any other state directed payments for providers eligible for the provider class described in Question 20b? ☐ Yes ☒ No

If yes, please provide information requested under the column "Other State Directed Payments" in Table 2.

- 26.** Does the State also require plans to pay pass-through payments as defined in 42 C.F.R. § 438.6(a) to any of the providers eligible for any of the provider class(es) described in Question 20b? ☐ Yes ☒ No

If yes, please provide information requested under the column “Pass-Through Payments” in Table 2.

- 27.** Please describe the data sources and methodology used for the analysis provided in response to Question 23.

Data submitted from the PHPs and the PIHPs was used to determine the average amounts paid to non-state ICFs through the contracts, those amounts were then benchmarked against the new FFS rates under the state plan as well as Medicare amounts. The uniform increase amounts were determined based on the FFS increases occurring and when added to the average amounts spent by the PHPs and PIHPs, were again compared to the new FFS rates and Medicare/cost. The additional uniform increase in SFY 26 was included based on market factors and fee schedule increases.

- 28.** Please describe the State's process for determining how the proposed state directed payment was appropriate and reasonable.

As noted in Table 2, total payment amounts are well below Medicare/cost data and support viability of the provider to ensure sufficient funding to remain a Medicaid provider.

SECTION IV: INCORPORATION INTO MANAGED CARE CONTRACTS

- 29.** States must adequately describe the contractual obligation for the state directed payment in the state's contract with the managed care plan(s) in accordance with 42 C.F.R. § 438.6(c). Has the state already submitted all contract action(s) to implement this state directed payment? ☐ Yes ☒ No

a. If yes:

i. What is/are the state-assigned identifier(s) of the contract actions provided to CMS?

ii. Please indicate where (page or section) the state directed payment is captured in the contract action(s).

b. If no, please estimate when the state will be submitting the contract actions for review.

June 2026

SECTION V: INCORPORATION INTO THE ACTUARIAL RATE CERTIFICATION

Note: Provide responses to the questions below for the first rating period if seeking approval for multi-year approval.

- 30.** Has/Have the actuarial rate certification(s) for the rating period for which this state directed payment applies been submitted to CMS? ☐ Yes ☒ No
- a.** If no, please estimate when the state will be submitting the actuarial rate certification(s) for review.
06/26/2026
- b.** If yes, provide the following information in the table below for each of the actuarial rate certification review(s) that will include this state directed payment.

Please note, states and actuaries should consult the most recent [Medicaid Managed Care Rate Development Guide](#) for how to document state directed payments in actuarial rate certification(s). The actuary's certification must contain all of the information outlined; if all required documentation is not included, review of the certification will likely be delayed.)

- c.** If not currently captured in the State's actuarial certification submitted to CMS, note that the regulations at 42 C.F.R. § 438.7(b)(6) requires that all state directed payments are documented in the State's actuarial rate certification(s). CMS will not be able to approve the related contract action(s) until the rate certification(s) has/have been amended to account for all state directed payments. Please provide an estimate of when the State plans to submit an amendment to capture this information.

31. Describe how the State will/has incorporated this state directed payment arrangement in the applicable actuarial rate certification(s) (please select one of the options below):

- a. ☒ An adjustment applied in the development of the monthly base capitation rates paid to plans.
- b. ☐ Separate payment term(s) which are captured in the applicable rate certification(s) but paid separately to the plans from the monthly base capitation rates paid to plans.
- c. ☐ Other, please describe:

32. States should incorporate state directed payment arrangements into actuarial rate certification(s) as an adjustment applied in the development of the monthly base capitation rates paid to plans as this approach is consistent with the rate development requirements described in 42 C.F.R. § 438.5 and consistent with the nature of risk-based managed care. For state directed payments that are incorporated in another manner, particularly through separate payment terms, provide additional justification as to why this is necessary and what precludes the state from incorporating as an adjustment applied in the development of the monthly base capitation rates paid to managed care plans.

33. ☒ In accordance with 42 C.F.R. § 438.6(c)(2)(i), the State assures that all expenditures for this payment arrangement under this section are developed in accordance with 42 C.F.R. § 438.4, the standards specified in 42 C.F.R. § 438.5, and generally accepted actuarial principles and practices.

SECTION VI: FUNDING FOR THE NON-FEDERAL SHARE

34. Describe the source of the non-federal share of the payment arrangement. Check all that apply:

- a. ☒ State general revenue
- b. ☐ Intergovernmental transfers (IGTs) from a State or local government entity
- c. ☒ Health Care-Related Provider tax(es) / assessment(s)
- d. ☐ Provider donation(s)
- e. ☐ Other, specify:

35. For any payment funded by **IGTs (option b in Question 34)**,

- a. Provide the following (respond to each column for all entities transferring funds). If the state needs more space, please use Addendum Table 4.A and check this box: ☐

- b.** ☐ Use the checkbox to provide an assurance that no state directed payments made under this payment arrangement funded by IGTs are dependent on any agreement or arrangement for providers or related entities to donate money or services to a governmental entity.
- c.** Provide information or documentation regarding any written agreements that exist between the State and healthcare providers or amongst healthcare providers and/or related entities relating to the non-federal share of the payment arrangement. This should include any written agreements that may exist with healthcare providers to support and finance the non-federal share of the payment arrangement. Submit a copy of any written agreements described above.

- a.** Is the donation bona-fide? ☐ Yes ☐ No

38. ☒ **For all state directed payment arrangements**, use the checkbox to provide an assurance that in accordance with 42 C.F.R. § 438.6(c)(2)(ii)(E), the payment arrangement does not condition network provider participation on the network provider entering into or adhering to intergovernmental transfer agreements.

SECTION VII: QUALITY CRITERIA AND FRAMEWORK FOR ALL PAYMENT ARRANGEMENTS

39. ☒ Use the checkbox below to make the following assurance, “In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(C), the State expects this payment arrangement to advance at least one of the goals and objectives in the quality strategy required per 42 C.F.R. § 438.340.”
40. Consistent with 42 C.F.R. § 438.340(d), States must post the final quality strategy online beginning July 1, 2018. Please provide:
- a. A hyperlink to State’s most recent quality strategy: <https://medicaid.ncdhhs.gov/2025-nc-medicaid-managed-care-quality-strategy/download?attachment>
 - b. The effective date of quality strategy. June 18, 2025
41. If the State is currently updating the quality strategy, please submit a draft version, and provide:
- a. A target date for submission of the revised quality strategy (month and year):
 - b. Note any potential changes that might be made to the goals and objectives.

Note: The State should submit the final version to CMS as soon as it is finalized. To be in compliance with 42 C.F.R. § 438.340(c)(2) the quality strategy must be updated no less than once every 3-years.

- 42.** To obtain written approval of this payment arrangement, a State must demonstrate that each state directed payment arrangement expects to advance at least one of the goals and objectives in the quality strategy. In the Table 7 below, identify the goal(s) and objective(s), as they appear in the Quality Strategy (include page numbers), this payment arrangement is expected to advance. If additional rows are required, please attach.

Table 7: Payment Arrangement Quality Strategy Goals and Objectives

Goal(s)	Objective(s)	Quality strategy page
<i>Example: Improve care coordination for enrollees with behavioral health conditions</i>	<i>Example: Increase the number of managed care patients receiving follow-up behavior health counseling by 15%</i>	5
a. Ensure Appropriate Access to Care	Maintain Medicaid Provider Engagement	12
b. Pay for Value	Ensure High Value, Appropriate Care	12
c.		
d.		

- 43.** Describe how this payment arrangement is expected to advance the goal(s) and objective(s) identified in Table 7. If this is part of a multi-year effort, describe this both in terms of this year's payment arrangement and in terms of that of the multi-year payment arrangement.

As the directed payments are intended to support market factors and direct care workers and increase wages, provider engagement is important to ensure the direct care workers do not seek other jobs or do not move to other delivery systems in order to receive the increase. With workers more engaged in their positions and care, this is expected to positively impact members receiving appropriate care within the ICF and provide better quality of care.

44. Please complete the following questions regarding having an evaluation plan to measure the degree to which the payment arrangement advances at least one of the goals and objectives of the State's quality strategy. To the extent practicable, CMS encourages States to utilize existing, validated, and outcomes-based performance measures to evaluate the payment arrangement, and recommends States use the [CMS Adult and Child Core Set Measures](#), when applicable.

- a.** ☒ In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(D), use the checkbox to assure the State has an evaluation plan which measures the degree to which the payment arrangement advances at least one of the goals and objectives in the quality strategy required per 42 C.F.R. § 438.340, and that the evaluation conducted will be *specific* to this payment arrangement. *Note:* States have flexibility in how the evaluation is conducted and may leverage existing resources, such as their 1115 demonstration evaluation if this payment arrangement is tied to an 1115 demonstration or their External Quality Review validation activities, as long as those evaluation or validation activities are *specific* to this payment arrangement and its impacts on health care quality and outcomes.

- b.** Describe how and when the State will review progress on the advancement of the State's goal(s) and objective(s) in the quality strategy identified in Question 42. For each measure the State intends to use in the evaluation of this payment arrangement, provide in Table 8 below: 1) the baseline year, 2) the baseline statistics, and 3) the performance targets the State will use to track the impact of this payment arrangement on the State's goals and objectives. Please attach the State's evaluation plan for this payment arrangement.

TABLE 8: Evaluation Measures, Baseline and Performance Targets

Measure Name and NQF # (if applicable)	Baseline Year	Baseline Statistic	Performance Target	Notes ¹
<i>Example: Flu Vaccinations for Adults Ages 19 to 64 (FVA-AD); NQF # 0039</i>	<i>CY 2019</i>	<i>34%</i>	<i>Increase the percentage of adults 18–64 years of age who report receiving an influenza vaccination by 1 percentage point per year</i>	<i>Example notes</i>

1. If the State will deviate from the measure specification, please describe here. If a State-specific measure will be used, please define the numerator and denominator here. Additionally, describe any planned data or measure stratifications (for example, age, race, or ethnicity) that will be used to evaluate the payment arrangement.

- c. If this is any year other than year 1 of a multi-year effort, describe (or attach) prior year(s) evaluation findings and the payment arrangement's impact on the goal(s) and objective(s) in the State's quality strategy. Evaluation findings must include 1) historical data; 2) prior year(s) results data; 3) a description of the evaluation methodology; and 4) baseline and performance target information from the prior year(s) preprint(s) where applicable. If full evaluation findings from prior year(s) are not available, provide partial year(s) findings and an anticipated date for when CMS may expect to receive the full evaluation findings.

Please see evaluation plan template.
