---

Dear Manufacturer Technical and Invoice Contacts:

On September 1, 2020, CMS sent an email (attached) that we had anticipated being our third and final email to manufacturers regarding the file-related formats for our new Medicaid Drug Programs (MDP) system; however, additional edits were brought to our attention and a few file formats have been updated accordingly.

The following file formats have been updated since our September 1, 2020 email, and these updated versions should replace the previous iterations:

- MDP CMS Form-367a\_Quarterly Pricing\_07.2021\_Updated Edits\_10.22.2020
  - The Package Size Field and Data Definition were removed
- MDP CMS Form-367a\_Quarterly Pricing\_07.2021\_Updated Final\_10.22.2020
- MDP CMS Form-367b\_Monthly Pricing\_07.2021\_Updated Edits\_10.22.2020
  - The Package Size Field and Data Definition were removed
  - The AMP Units Field size was changed back to a 14-digits
- MDP CMS Form-367b\_Monthly Pricing\_07.2021\_Updated Final\_10.22.2020
- MDP CMS-R-144 State Invoice\_Record Format\_07.2021\_Updated Edits\_10.22.2020
  - The Filler Field has been replaced with a Delete Flag
- MDP CMS-R-144 State Invoice\_Record Format\_07.2021\_Updated Final\_10.22.2020
- MDP CMS-R-144 State Invoice\_Data Definitions\_07.2021\_Updated Edits\_10.22.2020
  - The Filler Data Definition has been replaced with the Delete Flag Definition
- MDP CMS-R-144 State Invoice\_Data Definitions\_07.2021\_Updated Final\_10.22.2020

The implementation date is July 1, 2021, for both manufacturers and states to begin utilizing the new file formats, pending approval of the PRA packages.

As we move closer to the implementation of MDP, we will provide additional communications regarding the new system. In the meantime, we strongly encourage you to begin planning for any updates that may be necessary to your government pricing systems in order to accommodate the attached changes as early as July 1, 2021.

Please direct any questions regarding MDP or the revised file formats to [MDROperations@cms.hhs.gov](mailto:MDROperations@cms.hhs.gov).

Sincerely,  
CMS MDR Operations

The information in this response is limited to and based upon the facts described in this email and any attachments provided and our understanding of the facts as described in the emails and attachments submitted. If a subsequent review by CMS, by the Office of Inspector General, or another authorized government agency determines or reveals that additional adjustments or revisions are necessary, the manufacturer is responsible for complying with that determination. This response cannot be considered an advisory opinion under section 1128D(b) of the Social Security Act, since only the Inspector General of the U.S. Department of Health and Human Services has been authorized to issue advisory opinions relating to health care fraud and abuse under that section. This response should not be interpreted as acquiescence by the Government to the arrangements described herein. Further, this response is not a release of any liability.
