Subject: (State Technical and Rebate Contacts) CMS File Formats / Data Definitions Now Posted to Medicaid.gov
Date: Wednesday, March 10, 2021 12:51:16 PM
Importance: High

Dear State Technical and Rebate Contacts:

Throughout 2020, CMS sent out several state and manufacturer emails introducing the updated MDP file formats/data definitions. To ensure that all stakeholders receive this information, we have posted the current MDRP file formats, the updated MDP MDRP file formats (effective July 1, 2021), as well as the state and manufacturer email communications to Medicaid.gov at: <https://www.medicaid.gov/medicaid/prescription-drugs/medicaid-drug-rebate-program/medicaid-drug-rebate-program-medicaid-drug-program-file-formats-data-definitions-and-communications/index.html>.

Please direct any questions regarding MDP or the revised file formats to MDROperations@cms.hhs.gov.

Sincerely,
CMS MDR Operations

The information in this response is limited to and based upon the facts described in this email and any attachments provided and our understanding of the facts as described in the emails and attachments submitted. If a subsequent review by CMS, by the Office of Inspector General, or another authorized government agency determines or reveals that additional adjustments or revisions are necessary, the manufacturer is responsible for complying with that determination. This response cannot be considered an advisory opinion under section 1128D(b) of the Social Security Act, since only the Inspector General of the U.S. Department of Health and Human Services has been authorized to issue advisory opinions relating to health care fraud and abuse under that section. This response should not be interpreted as acquiescence by the Government to the arrangements described herein. Further, this response is not a release of any liability.
