<sup>^</sup>=New Hampshire Health Protection Program went into effect on July 1, 2014, and individuals in NH will begin to receive benefits under the expansion on August 15, 2014.

(-)=state has not reported data.

Partnership, Plan Management, FFM/SBM-SHOP, Supported SBM are all types of FFM.

Column III is calculated for only those states that reported both May data and April data (subtotals exclude CT and ND).

Column V and VI is calculated for only those states that reported both monthly data and pre-Open Enrollment period data (subtotals exclude CT and ND).

Table 1A: Medicaid and CHIP: April and May 2014 Monthly Enrollment  
Updated July 2014

#=Subtotal for columns I and III is for states submitting both April and May data. May subtotal for expansion states submitting April data is 39,807,738.

#=Subtotal for columns II, IV, V, and VI is for states submitting both May 2014 and July-September 2013 data.

|                      |                 |  |
|----------------------|-----------------|--|
| Arkansas             | (I), (II)       | Includes Private Option enrollees.   |
| Arkansas             | (I), (IV)       | Updated to exclude limited benefit populations.  |
| Arkansas             | (II)            | Does not include individuals with limited benefits, unlike columns (I) and (IV).   |
| Arkansas             | (V), (VI)       | Excluded due to change in reporting methodology by state.  |
| California           | (I), (II)       | Data are preliminary.  |
| California           |                 | Includes individuals transferred from the Low Income Health Program section 1115 demonstration (also in pre-Open Enrollment Period data) |
| California           |                 | Includes estimated retroactive enrollment.   |
| California           |                 | Includes applicants likely eligible for Medicaid or CHIP, but whose applications are still pending verification.                         |
| California           | (IV)            | Includes individuals in the Low Income Health Program section 1115 demonstration.  |
| Connecticut          | (II)            | Updated to exclude limited benefit populations.  |
| District of Columbia | (I), (II), (IV) | Includes limited benefit dual eligible individuals and individuals enrolled in the locally funded DC Health Alliance.                    |
| Kentucky             | (I), (II)       | Updated to exclude limited benefit populations.  |
| Massachusetts        | (I), (II)       | Does not include individuals receiving temporary transitional coverage.  |
| Nevada               | (I), (II)       | Data are preliminary.  |
| Nevada               | (I), (II), (IV) | Includes partial benefit dual eligible individuals.  |
| New Jersey           | (I), (II), (IV) | Includes individuals eligible at any point in the month.   |
| New York             | (I), (II)       | Includes estimated retroactive enrollment.   |
| Rhode Island         | (I), (II)       | Includes only enrollments based on determinations through new MAGI system.   |

<sup>^</sup>=New Hampshire Health Protection Program went into effect on July 1, 2014, and individuals in NH will begin to receive benefits under the expansion on August 15, 2014.

(-)=state has not reported data.

Column V is calculated for only those states that reported April and May 2014 Applications data (subtotals exclude AZ and NM).

Partnership, Plan Management, FFM/SBM-SHOP, Supported SBM are all types of FFM's.

Table 1B: Medicaid and CHIP: May 2014 Monthly Applications and Eligibility Determinations  
Updated July 2014

|                      |                        |  |
|----------------------|------------------------|--|
| Arkansas             | (VI)                   | Includes CHIP.   |
| California           | (I)                    | Data are preliminary and will be not be fully reconciled until August 2014.  |
| California           |                        | Reflects primarily newly-determined and likely eligible Medicaid applicants,   |
| California           |                        | as well as some ongoing caseload activity conducted via the state's health exchange automation system.                       |
| California           | (II)                   | Data are preliminary and will be not be fully reconciled until August 2014.  |
| California           |                        | Includes applications to SBM that did not request financial assistance.  |
| California           | (IV)                   | Data are preliminary and will be not be fully reconciled until July 2014.  |
| California           |                        | Reflects primarily newly-determined and likely eligible Medicaid applicants,   |
| California           |                        | as well as some ongoing caseload activity conducted via the state's health exchange automation system.                       |
| California           | (VI)                   | Data are preliminary and will be not be fully reconciled until August 2014.  |
| California           |                        | Determinations 'at application' is derived by considering prior coverage.  |
| California           |                        | Includes those determined eligible and 'contingently eligible.' Includes CHIP.   |
| California           |                        | Includes 27,000 individuals eligible via targeted enrollment strategy.   |
| California           |                        | Reflects primarily newly-determined and likely eligible Medicaid applicants  |
| California           |                        | as well as some ongoing caseload activity conducted via the state's health exchange automation system.                       |
| California           | (VII)                  | Data reflects only those determinations made by the separate CHIP agency and does not reflect all CHIP determinations.       |
| Colorado             | (I)                    | State Medicaid agency hosts SBM portal; number includes all applications for insurance affordability programs.               |
| Connecticut          | (I), (III), (IV)       | Data may include some duplication of applications between Medicaid and CHIP.   |
| Connecticut          | (II)                   | SBM applications data not submitted as of date of publication.   |
| Connecticut          | (VI)                   | Count is of households, not individuals. Includes determinations of some non-title XIX programs made by the Medicaid agency. |
| Connecticut          |                        | (state funded medical cases, the AIDS Drug Assistance program and refugee cases).  |
| Connecticut          |                        | Only includes determinations made by the Medicaid agency.  |
| Connecticut          |                        | Excludes those determined Medicaid-eligible by the SBM.  |
| District of Columbia | (VI)                   | Includes all determinations (e.g., renewals); includes CHIP.   |
| Hawaii               | (I)                    | State Medicaid agency hosts SBM portal; number includes all applications for insurance affordability programs.               |
| Illinois             | (I), (III), (IV)       | Includes account transfers from the FFM.   |
| Iowa                 | (VI)                   | Includes renewals.   |
| Iowa                 | (VII)                  | Includes renewals.   |
| Maryland             | (II)                   | Includes State Medicaid Agency data and SBM data from 5/1 - 5/31.  |
| Maryland             | (II), (III), (IV)      | Includes all applications not only those requesting financial assistance.  |
| Maryland             | (VI)                   | Includes renewals. Includes State Medicaid Agency data and SBM data from 5/1 - 5/31.   |
| Maryland             | (VII)                  | Includes renewals. Includes State Medicaid Agency data and SBM data from 5/1 - 5/31.   |
| Maryland             | (VIII)                 | Includes renewals. Includes State Medicaid Agency data and SBM data from 5/1 - 5/31.   |
| Massachusetts        | (VI)                   | Data are preliminary and are derived.  |
| Michigan             | (VI)                   | Includes renewals.   |
| Michigan             | (VII)                  | Includes renewals.   |
| Minnesota            | (I), (III), (IV)       | Count is of persons applying, not applications. Does not include applications to the new eligibility and enrollment system.  |
| Minnesota            | (VI)                   | Includes CHIP.   |
| Nevada               | (I), (III), (IV)       | Includes renewals.   |
| Nevada               | (VI)                   | Count is of households, not individuals. Includes renewals.  |
| New Hampshire        | (VI)                   | Data is derived by considering prior coverage; includes CHIP.  |
| New Jersey           | (I), (III), (IV)       | Includes applications received at county welfare agencies.   |
| New Jersey           | (VI)                   | Does not include all eligibility determinations; county welfare agencies determinations are not included in this data.       |
| New Jersey           | (VII)                  | Does not include all eligibility determinations; county welfare agencies determinations are not included in this data.       |
| New Mexico           | (I), (III), (IV)       | Includes renewals.   |
| New Mexico           | (VI)                   | Includes all determinations (e.g., renewals); includes CHIP.   |
| New York             | (VI)                   | Data are preliminary.  |
| New York             | (VII)                  | Data are preliminary.  |
| New York             | (VIII)                 | Data are preliminary.  |
| Ohio                 | (I), (III), (IV)       | Includes renewals. May include some applications only for other benefits, not for Medicaid and CHIP.                         |
| Ohio                 | (VI)                   | Includes CHIP.   |
| Ohio                 | (VI), (VIII)           | Includes renewals  |
| Oregon               | (I), (II), (III), (IV) | Includes renewals  |
