Sources: Mathematica analysis of the Quality Measure Reporting (QMR) system reports for the 2024 Core Set as of April 28, 2025; National Core Indicators (NCI) data submitted by states to the National Association of State Directors of Developmental Disabilities Services (NASDDDS) and the Human Services Research Institute (HSRI) (The NCI National Team) through the Online Data Entry System (ODESA) for the July 2023 to June 2024 data collection period, corresponding to the 2024 Adult Core Set, as of May 8, 2025; and Agency for Healthcare Research and Quality (AHRQ) and Centers for Medicare & Medicaid (CMS) analysis of the AHRQ CAHPS Database for the July 2023 to June 2024 data collection period as of January 28, 2025. CMS used two data sources for reporting the MSC-AD measure for the 2024 Adult Core Set. The two sources are the AHRQ CAHPS Database and the QMR system reports for the 2024 Core Set.

Notes: The term “states” includes the 50 states, the District of Columbia, Guam, Puerto Rico, and U.S. Virgin Islands.
CAHPS = Consumer Assessment of Healthcare Providers and Systems; HbA1c = Hemoglobin A1c

Overview of State Reporting on 2024 Adult Core Set Measures (continued)

The 2024 Adult Core Set includes 33 measures. Information about the updates to the 2024 Core Sets is available at [2023 and 2024 Updates to the Child and Adult Core Health Care Quality Measurement Sets](#). This table includes all 2024 Adult Core Set measures, including measures that were reported by states using “other specifications” and measures for which the rates are not publicly reported due to CMS data suppression rules.

*Starting with the 2024 Core Set, reporting of the behavioral health measures on the Adult Core Set is mandatory for the 50 states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands. Measures marked with an asterisk are mandatory. More information is available in the [Mandatory Reporting Final Rule](#) and [Initial Core Set Mandatory Reporting Guidance State Health Official Letter](#).

X = measure was reported by the state; - = measure was not reported by the state.
