Re: State Acceptance of Renewal Approval for Oklahoma's Section 1115(a) SoonerCare Demonstration (Project Number 11-W-00048/6)

Dear Director Brillman:

On behalf of the Oklahoma Health Care Authority (OHCA), I acknowledge the approval by the Centers for Medicare & Medicaid Services (CMS) of the renewal of Oklahoma's section 1115(a) demonstration entitled **SoonerCare** (Project Number 11-W-00048/6).

Oklahoma accepts the demonstration renewal, including the approved waiver and expenditure authorities and Special Terms and Conditions (STCs), effective January 1, 2027 through December 31, 2031.

The State further acknowledges its responsibilities under the approved STCs, including applicable monitoring, reporting, evaluation, and budget neutrality requirements.

Thank you for CMS's continued partnership and guidance throughout the renewal process. We look forward to continuing our collaboration in administering the SoonerCare demonstration.

Sincerely,

Melissa Miller
